POLICY 112222

POSTINGS TO ODOT-TSO FIND A PROVIDER WEBPAGE

To assure usefulness to parents, TSO postings of approved providers on Transportation Safety Office's FIND A PROVIDER page must meet all the following criteria:

- Only active providers are posted to the website. ACTIVE means at least one ODOT-approved course has been offered and provided over the past year.
- If a link is provided, it must direct to the provider's ODOT-approved teen course page. If competing options are provided on the same page, the web link will be removed.
- A provider name may be posted in more than one region if courses are offered in those regions.

Providers should regularly review their postings to assure information is current and correct.

If ODOT removes a provider from the website, the provider's primary contact will be notified by email using the last known email on file.
