POSTINGS TO ODOT-TSO FIND A PROVIDER WEB PAGE

To assure usefulness to parents, provider postings on Transportation Safety Office's FIND A PROVIDER page must meet all of the following criteria:

- Only active providers are posted to the website. ACTIVE means at least one course has been provided over the past year.
- If a link is provided, it must direct to the program's approved teen course page. If competing options are provided on the same page, the web link will be removed.
- A provider name may be posted in more than one region if courses are offered in those regions.
- Providers should regularly review their postings to assure information is current.

If ODOT removes a provider from the website, the provider's primary contact will be notified by email.
