**DEFINITION OF QUALIFIED CERTIFYING ENTITY FOR TRAINING**

An entity must be pre-approved by ODOT-TSO in order for any certifications to be valid as issued by the entity. A list of available training providers will be available through the state office.

In the case of in-house training, advance permission from the ODOT-TSO Driver Education office must be secured before training for continuing education is to take place. A draft agenda and summative explanation may be emailed to the office.
