Last Updated: 9/27/24

**Funding Round 2 ran March-July 2024. Rebate amounts may be adjusted based on final project costs. Rebate awards are contingent on project completion.*

***Total number of EV charging ports for the project. The ports are Level 2 unless noted otherwise.*

Community Charging Rebate Program Round 2 Project Site Locations

Note: this map was generated in September 2024 to display all Round 2 projects. Projects with a blue marker are pending installation. The green markers are projects that have completed construction.
