(6) In addition to any other sentence that may be imposed, the court shall impose one or more of the following fines on a person convicted of driving while under the influence of intoxicants as follows:

(a) For a person's first conviction, a minimum of \$1,000.

The person shall provide a copy of the motion and any supporting documentation to the district attorney of the county. The district attorney may file, within 45 days from the date the person files the motion with the court, an objection to the motion.

(b) If the district attorney does not file an objection to the motion, the court shall, without hearing, enter an order that the person has taken sufficient steps to satisfy the requirement under ORS 813.021 to complete a treatment program or, on its own motion, conduct a hearing as described in subsection (4) of this section.

(2) An agency or organization has applied to and been authorized by the Oregon Health Authority to operate a demonstration project that combines screening interviews and treatment programs. The authority shall by rule set forth the conditions under which a demonstration project may be authorized. [1991 c.557 §2; 1999 c.126 §4; 2009 c.595 §1141; 2015 c.318 §49]

813.030 Amount of fee; distribution.

(2) The offense described in this section, refusal to take a test for intoxicants, is a specific fine traffic violation. The presumptive fine for refusal to take a test for intoxicants is \$650. The fine described in this section is in addition to any other consequence prescribed by law for refusal to take a test for intoxicants. [2003 c.814 §2; 2009 c.614 §1; 2011 c.597 §102]

influence of intoxicants in violation of ORS 813.010 or of a municipal ordinance. A test shall be administered upon the request of a police officer having reasonable grounds to believe the person arrested to have been driving while under the influence of intoxicants in violation of ORS 813.010 or of a municipal ordinance. (d) Within a period of time required by the department by rule, report action taken under this section to the department and prepare and cause to be delivered to the department a report as described in ORS 813.120, along with the confiscated license or permit and a copy of the notice of intent to suspend.

(3) If a blood test under this section discloses that the person, at the time of the test, had a level of alcohol in the person’s blood that constitutes being under the influence of intoxicating liquor under ORS 813.300, the person’s driving privileges are subject to suspension under ORS 813.410 and the police officer shall report to the department within 45 days of the date of arrest that the person failed the blood test.

(4) Nothing in this section precludes a police officer from obtaining a chemical test of the person’s breath or blood through any lawful means for use as evidence in a criminal or civil proceeding including, but not limited to, obtaining a search warrant. [1983 c.338 §591; 1985 c.16 §298; 1985 c.672 §19; 1993 c.305 §1; 1995 c.568 §1; 2013 c.642 §1; 2019 c.475 §1]

(2) The department shall provide police departments and agencies with permits for issuance as required by this section. The department shall establish the form and content of permits described in this section as the department determines appropriate, but in a manner consistent with this section.

(3) A permit described in this section is subject to all the following:

(a) Except as provided in paragraph (b) of this subsection, the permit is valid until the 30th day after the date of arrest.

(d) The permit grants the same driving privileges as those granted by the person's license taken into possession under ORS 813.100.

813.120 Police report to department.

(1) A report required by ORS 813.100 shall disclose substantially all of the following information:

(a) Whether the person, at the time the person was requested to submit to a test, was under arrest for driving a motor vehicle while under the influence of intoxicants in violation of ORS 813.010 or of a municipal ordinance.

toxicants in violation of ORS 813.010 or of a municipal ordinance.

(c) Whether the person refused to submit to a test or if the person submitted to a breath or blood test whether the level of alcohol in the person's blood, as shown by the test, was sufficient to constitute being under the influence of intoxicating liquor under ORS 813.300.

(d) Whether the person was driving a commercial motor vehicle and refused to submit to a test or if the person submitted to a breath or blood test whether the level of alcohol in the person's blood, as shown by the test, was 0.04 percent or more by weight.

(e) Whether the person was informed of consequences and rights as described under ORS 813.130.

(f) Whether the person was given written notice of intent to suspend required by ORS 813.100 (2)(b).

(g) If the arrested person took a test, a statement that the person conducting the test was appropriately qualified.

(h) If the arrested person took a test, a statement that any methods, procedures and equipment used in the test comply with any requirements under ORS 813.160.

(2) A report required by ORS 813.100 may be made in one or more forms specified by the Department of Transportation. [1983 c.338 §405; 1985 c.16 §215; 1985 c.672 §20; 1989 c.636 §42; 1993 c.305 §3; 1993 c.751 §70; 1995 c.568 §3; 2019 c.475 §12]

813.130 Rights of and consequences for person asked to take test. This section establishes the requirements for information about rights and consequences for purposes of ORS 813.100 and 813.410. The following apply to the information about rights and consequences:

(1) The information about rights and consequences shall be substantially in the form prepared by the Department of Transportation. The department may establish any form it determines appropriate and convenient.

(2) Except as provided in subsection (3) of this section, the information about rights and consequences shall be substantially as follows:

(a) Driving under the influence of intoxicants is a crime in Oregon, and the person is subject to criminal penalties if a test under ORS 813.100 shows that the person is under the influence of intoxicants. If the person fails a test, evidence of the failure may also be offered against the person.

(b) The person will fail a test under ORS 813.100 for purposes of criminal penalties if the test discloses a blood alcohol content of 0.08 percent or more by weight of alcohol in

the blood of the person as shown by chemical analysis of the breath or blood. The person will fail a test for purposes of the Motorist Implied Consent Law if the test discloses a blood alcohol content of:

(A) 0.08 percent or more by weight of alcohol in the blood of the person as shown by chemical analysis of the breath or blood if the person was not driving a commercial motor vehicle;

(B) 0.04 percent or more by weight of alcohol in the blood of the person as shown by chemical analysis of the breath or blood if the person was driving a commercial motor vehicle; or

(C) Any amount if the person was under 21 years of age.

(c) If the person fails a test under ORS 813.100, the person's driving privileges will be suspended. The outcome of a criminal charge for driving under the influence of intoxicants will not affect the suspension.

(d) If the person fails a breath test under ORS 813.100 and has an Oregon driver license or permit, the license or permit will be taken immediately and, unless the person does not currently have full valid driving privileges, a temporary driving permit will be issued to the person.

(e) After taking a test under ORS 813.100, the person will have a reasonable opportunity, upon request, for an additional chemical test for blood alcohol content to be performed at the person's own expense by a qualified individual of the person's choosing.

(f) The person has a right to a hearing to challenge the validity of the suspension before the suspension becomes effective. The person must make a written request to the department for such a hearing. If the person wins at the hearing, the person's driving privileges will not be suspended. If the person loses at the hearing, the suspension will remain in effect during any court review of the hearing.

(g) If the person is issued a temporary driving permit under ORS 813.100, the information provided to the person shall include the number of hours before the driving permit will be effective and the number of days the permit will be effective.

(h) The information provided to the person shall include the number of days within which a person must request a hearing under ORS 813.410.

(i) The information provided to the person shall include the number of days within which a hearing under ORS 813.410 will be held.

(j) The person may possibly qualify for a hardship permit in 30 days if the person fails

a test, depending on the person's driving record.

(k) If the person is driving a commercial motor vehicle, and takes a breath or blood test under ORS 813.100 after being informed of the rights and consequences under paragraphs (a) to (j) of this subsection, the following additional information shall be provided:

(A) If the level of alcohol in the person's blood is 0.04 percent or more by weight of alcohol in the blood of the person as shown by chemical analysis of the breath or blood, the person's commercial driving privileges or right to apply for commercial driving privileges will be suspended and no hardship permit authorizing the person to drive a commercial motor vehicle will be issued.

(B) The suspension of the person's commercial driving privileges or right to apply for commercial driving privileges will be for the person's lifetime if the person takes a breath or blood test and the level of alcohol in the person's blood is 0.04 percent or more by weight of alcohol in the blood of the person as shown by chemical analysis of the breath or blood and:

(i) The person previously has been convicted of failure to perform the duties of a driver;

(ii) The person previously has been convicted of a crime punishable as a felony and the person was driving a motor vehicle at the time the offense was committed;

(iii) The person previously has been convicted of driving a commercial motor vehicle while the person's commercial driving privileges or right to apply for commercial driving privileges was suspended or revoked for offenses committed while operating a commercial motor vehicle;

(iv) The person previously has been convicted of any degree of murder, manslaughter or criminally negligent homicide resulting from the operation of a commercial motor vehicle or assault in the first degree resulting from the operation of a commercial motor vehicle;

(v) The person previously has been convicted of driving while under the influence of intoxicants;

(vi) The person's commercial driving privileges previously have been suspended or revoked for refusal to submit to, or failure of, a breath or blood test under ORS 813.100; or

under ORS 813.100 resulting from the operation of a commercial motor vehicle.

(3) A person who refuses to submit to a chemical test after being informed of the rights and consequences in subsection (2) of this section shall be provided additional information, substantially as follows:

(a) If the person refuses to provide consent to a breath or blood test, and is thereafter requested to provide only physical cooperation to submit to a breath or blood test, and the person refuses to physically submit to a test, evidence of that refusal may be offered against the person.

(b) If the person refuses to submit to a test under ORS 813.100, the person's driving privileges will be suspended. The outcome of a criminal charge for driving under the influence of intoxicants will not affect the suspension. The suspension will be substantially longer if a person refuses a test.

(c) If the person refuses to submit to a breath test under ORS 813.100 and has an Oregon driver license or permit, the license or permit will be taken immediately and, unless the person does not currently have full valid driving privileges, a temporary driving permit will be issued to the person.

(d) If the person refuses to submit to a test under ORS 813.100, the person is not eligible for a hardship permit for at least 90 days, and possibly for three years, depending on the following factors set forth in ORS 813.430:

(A) Whether the person is presently participating in a driving while under the influence of intoxicants diversion program in this state or in any similar alcohol or drug rehabilitation program in this or another jurisdiction; or

(B) Whether within the five years preceding the date of arrest any of the following occurred:

(iv) The person commenced participating in a driving while under the influence of intoxicants diversion program in this state or in any similar alcohol or drug rehabilitation

program in this or another jurisdiction, as described in ORS 813.430.

(e) If the person refuses to submit to a breath test under ORS 813.100, or refuses to provide a urine sample under ORS 813.131 and 813.132, the person is subject to a fine of at least \$500 and not more than \$1,000.

(f) The person has a right to a hearing to challenge the validity of the suspension before the suspension becomes effective. The person must make a written request to the department for such a hearing. If the person wins at the hearing, the person's driving privileges will not be suspended. If the person loses at the hearing, the suspension will remain in effect during any court review of the hearing.

(g) If the person is issued a temporary driving permit under ORS 813.100, the number of hours before the driving permit will be effective and the number of days the permit will be effective.

(h) The number of days within which a person must request a hearing under ORS 813.410.

(i) The number of days within which a hearing under ORS 813.410 will be held.

(j) The person may possibly qualify for a hardship permit in 30 days if the person fails a test, depending on the person's driving record.

(k) If the person is driving a commercial motor vehicle, further information as follows:

(A) If the person refuses to submit to a test under ORS 813.100, the person's commercial driving privileges or right to apply for commercial driving privileges will be suspended and no hardship permit authorizing the person to drive a commercial motor vehicle will be issued. The suspension will be substantially longer if the person refuses the test.

(B) The suspension of the person's commercial driving privileges or right to apply for commercial driving privileges will be for the person's lifetime if the person refuses to submit to a test under ORS 813.100 and:

(i) The person previously has been convicted of failure to perform the duties of a driver;

(ii) The person previously has been convicted of a crime punishable as a felony and the person was driving a motor vehicle at the time the offense was committed;

(iii) The person previously has been convicted of driving a commercial motor vehicle while the person's commercial driving privileges or right to apply for commercial driving privileges was suspended or revoked for offenses committed while operating a commercial motor vehicle;

(iv) The person previously has been convicted of any degree of murder, manslaughter or criminally negligent homicide resulting from the operation of a commercial motor vehicle or assault in the first degree resulting from the operation of a commercial motor vehicle;

(v) The person previously has been convicted of driving while under the influence of intoxicants;

(vi) The person's commercial driving privileges previously have been suspended or revoked for refusal to submit to, or failure of, a breath or blood test under ORS 813.100; or

(4) Nothing in this section prohibits the department from providing additional information concerning rights and consequences that the department considers convenient or appropriate. [1985 c.672 §22; 1987 c.673 §3; 1987 c.801 §11; 1989 c.171 §92; 1989 c.636 §43; 1991 c.185 §15; 1991 c.860 §10; 1993 c.305 §4; 1995 c.568 §4; 2003 c.814 §3; 2005 c.649 §28; 2009 c.607 §2; 2009 c.614 §2; 2013 c.237 §27; 2019 c.475 §2]

813.131 Implied consent to urine test; privacy; laboratories for analysis. (1) A person may be asked to provide a urine sample under ORS 813.140 or subsection (2) of this section.

(2) Any person who operates a motor vehicle upon premises open to the public or the highways of this state shall be deemed to have given consent, subject to the Motorist Implied Consent Law, to a chemical test of the person's urine for the purpose of determining the presence of cannabis, a controlled substance or an inhalant in the person's body if the person is arrested for driving while under the influence of intoxicants in violation of ORS 813.010 or of a municipal ordinance and either:

(a) The person takes the breath test described in ORS 813.100 and the test discloses a blood alcohol content of less than 0.08 percent; or

(b) The person is involved in an accident resulting in injury or property damage. A urine test may be requested under this paragraph regardless of whether a breath test has been requested and regardless of the results of a breath test, if one is taken.

(3) A police officer may not request a urine test unless the officer is certified by the Department of Public Safety Standards and Training as having completed at least eight hours of training in recognition of drug

impaired driving and the officer has a reasonable suspicion that the person arrested has been driving while under the influence of cannabis, a controlled substance, an inhalant or any combination of cannabis, a controlled substance, an inhalant and intoxicating liquor.

(4) A person asked to give a urine sample shall be given privacy and may not be observed by a police officer when producing the sample.

(5)(a) At the trial of any civil or criminal action, suit or proceeding arising out of the acts committed by a person driving a motor vehicle while under the influence of intoxicants, a valid chemical analysis of a person's urine is admissible as evidence and may be used with other evidence, if any, to determine whether the person was driving while under the influence of intoxicants.

(b) A chemical analysis of a person's urine is valid if analysis is performed in an accredited or licensed toxicology laboratory. [1995 c.676 §1; 1999 c.619 §10; 1999 c.752 §1; 2009 c.325 §1; 2015 c.11 §1; 2017 c.21 §82; 2019 c.475 §3]

813.132 Consequences of refusing to take urine test; exception. (1) Except as otherwise provided in this section, a refusal to submit to a urine test requested under ORS 813.131 shall be treated for all purposes as a refusal to submit to a breath test. A suspension imposed for refusal to submit to a urine test under ORS 813.131 (2) shall be consecutive to any other suspension imposed under the Motorist Implied Consent Law. If a person is subject to consecutive suspensions, the length of time that must elapse before the Department of Transportation may reinstate driving privileges or issue a hardship permit under ORS 813.520 shall be doubled.

(2) If a person refuses to submit to a urine test under ORS 813.131 (2), in addition to information described in ORS 813.130, the person asked to take the test shall be informed that if the person refuses to submit to the test, the person's driving privileges will be suspended for the same time period and with the same consequences as if the person had refused to submit to the breath test and that a suspension for refusal to submit to the urine test will be consecutive to any other suspension under the Motorist Implied Consent Law.

(3) Notwithstanding subsection (1) of this section, no suspension of driving privileges shall be imposed for refusal to submit to a urine test if the person provides documentation from a physician licensed by this state showing that the person has a medical condition that makes it impossible for the person to provide a sample. [1995 c.676 §2; 1997 c.25 §3; 2019 c.475 §4]

813.135 Implied consent to field sobriety tests. Any person who operates a vehicle upon premises open to the public or the highways of the state shall be deemed to have given consent to submit to field sobriety tests upon the request of a police officer for the purpose of determining if the person is under the influence of intoxicants if the police officer reasonably suspects that the person has committed the offense of driving while under the influence of intoxicants in violation of ORS 813.010 or a municipal ordinance. If the person refuses to consent to field sobriety tests, the person shall be asked to provide only physical cooperation to submit to nontestimonial field sobriety tests, and the person shall be informed of the consequences of failing to physically submit to those tests under ORS 813.136. [1989 c.576 §15; 2019 c.475 §5]

813.136 Consequence of refusal or failure to submit to field sobriety tests. If a person refuses or fails to physically submit to field sobriety tests as required by ORS 813.135 after the person has been informed of the consequences of refusing to submit, evidence of the person's refusal or failure to physically submit is admissible in any criminal or civil action or proceeding arising out of allegations that the person was driving while under the influence of intoxicants. [1989 c.576 §14; 2019 c.475 §6]

CHEMICAL TESTS; METHODS AND REQUIREMENTS

813.140 Chemical test with consent; unconscious person. Nothing in ORS 813.100, 813.131 or 813.132 is intended to preclude the administration of a chemical test described in this section. A police officer may obtain a chemical test of the breath or blood to determine the amount of alcohol in any person's blood or a test of the person's blood or urine, or both, to determine the presence of cannabis, a controlled substance or an inhalant in the person as provided in the following:

(1) If, when requested by a police officer, the person expressly consents to such a test.

(2) Notwithstanding subsection (1) of this section, from a person without the person's consent if:

(a) The police officer has probable cause to believe that the person was driving while under the influence of intoxicants and that evidence of the offense will be found in the person's blood or urine; and

(b) The person is unconscious or otherwise in a condition rendering the person incapable of expressly consenting to the test or tests requested. [1983 c.338 §593; 1985 c.16 §299; 1999 c.619 §11; 2013 c.642 §2; 2017 c.21 §83; 2019 c.475 §7]

813.150 Chemical test at request of arrested person. In addition to a chemical test of the breath, blood or urine administered under ORS 813.100 or 813.140, upon the request of a police officer, a person shall be permitted upon request, at the person's own expense, reasonable opportunity to have any licensed physician and surgeon, licensed professional nurse or qualified technician, chemist or other qualified person of the person's own choosing administer a chemical test or tests of the person's breath or blood for the purpose of determining the alcoholic content of the person's blood or a chemical test or tests of the person's blood or urine, or both, for the purpose of determining the presence of cannabis, a controlled substance or an inhalant in the person. The failure or inability to obtain such a test or tests by a person shall not preclude the admission of evidence relating to a test or tests taken upon the request of a police officer. [1983 c.338 §594; 1985 c.16 §300; 1999 c.619 §12; 2017 c.21 §84]

813.160 Methods of conducting chemical analyses; duties of Department of State Police; reports; costs. (1) A chemical analysis is valid under ORS 813.300 if:

(a) It is an analysis of a person's blood for alcohol content and is performed in:

(A) A laboratory certified or accredited under 42 C.F.R. part 493 and approved for toxicology testing;

(B) A laboratory licensed under ORS 438.110 and approved for toxicology testing; or

(C) A forensic laboratory established by the Department of State Police under ORS 181A.150 that is accredited by a national forensic accrediting organization.

(b) It is an analysis of a person's breath and is performed by an individual possessing a valid permit to perform chemical analyses issued by the Department of State Police and is performed according to methods approved by the Department of State Police. For purposes of this paragraph, the Department of State Police shall do all of the following:

(A) Approve methods of performing chemical analyses of a person's breath.

(B) Prepare manuals and conduct courses throughout the state for the training of police officers in chemical analyses of a person's breath, which courses shall include, but are not limited to, approved methods of chemical analyses, use of approved equipment and interpretation of test results together with a written examination on these subjects.

(C) Test and certify the accuracy of equipment to be used by police officers for chemical analyses of a person's breath before regular use of the equipment and periodically

thereafter at intervals of not more than 90 days. Tests and certification required by this subparagraph must be conducted by trained technicians. Certification under this subparagraph does not require a signed document.

(D) Ascertain the qualifications and competence of individuals to conduct chemical analyses in accordance with one or more methods approved by the department.

(E) Issue permits to individuals according to their qualifications. Permits may be issued to police officers only upon satisfactory completion of the prescribed training course and written examination. A permit must state the methods and equipment that the police officer is qualified to use. Permits are subject to termination or revocation at the discretion of the Department of State Police.

(2) In conducting a chemical test of the blood, only a duly licensed physician or a person acting under the direction or control of a duly licensed physician may withdraw blood or pierce human tissue. A licensed physician, or a qualified person acting under the direction or control of a duly licensed physician, is not civilly liable for withdrawing any bodily substance, in a medically acceptable manner, at the request of a peace officer.

(3) An individual who performs a chemical analysis of breath or blood under ORS 813.100 or 813.140 shall prepare and sign a written report of the findings of the test that must include the identification of the police officer upon whose request the test was administered.

(4) Any individual having custody of the report mentioned in subsection (3) of this section shall, upon request of the person tested, furnish that person or that person's attorney, a copy of the report.

(5) The expense of conducting a chemical test as provided by ORS 813.100 or 813.140 must be paid by the governmental unit on whose equipment the test is conducted or by the governmental unit upon whose request the test was administered if no governmental unit's equipment is used to conduct the test. [1983 c.338 §173; 1985 c.16 §57; 1985 c.337 §2; 1995 c.351 §1; 2003 c.19 §1]

(1) After an accusatory instrument has been filed charging the defendant with the offense of driving while under the influence of intoxicants, a defendant may file with the court a petition for a driving while under the influence of intoxicants diversion agreement described in ORS 813.200. The petition:

(a) Must be filed within 30 days after the date of the defendant's first appearance on the summons, unless a later filing date is allowed by the court upon a showing of good

cause. For purposes of this paragraph, the filing of a demurrer, a motion to suppress or a motion for an omnibus hearing does not constitute good cause.

(b) Notwithstanding paragraph (a) of this subsection, may not be filed after entry of a guilty plea or a no contest plea or after commencement of any trial on the charge whether or not a new trial or retrial is ordered for any reason.

(c) Notwithstanding paragraph (a) of this subsection, may be filed up to 14 days after the date the prosecuting attorney sends the laboratory test results of the defendant's urine or blood sample analysis to the defendant's attorney or, if the defendant is unrepresented, the defendant, if:

(A) The accusatory instrument alleges that the defendant was driving under the influence of intoxicants and alleges that at the time the conduct occurred the defendant was under the influence of a controlled substance or an inhalant;

(B) The defendant has not received notice of what the defendant's blood alcohol content was at the time the conduct occurred or if at the time the conduct occurred the defendant had less than 0.08 percent by weight of alcohol in the blood; and

(C) A police officer obtained a urine or blood sample from the defendant.

(2) The defendant shall pay to the court, at the time of filing a petition for a driving while under the influence of intoxicants diversion agreement, a filing fee established under ORS 813.240. The court may make provision for payment of the filing fee by the defendant on an installment basis. The court may waive all or part of the filing fee in cases involving indigent defendants. The filing fee paid to the court under this subsection shall be retained by the court if the petition is allowed. The filing fee shall be distributed as provided by ORS 813.240.

(3) The defendant shall pay to the agency or organization providing the screening interview, at the time the petition is allowed, the fee required by ORS 813.240 (3).

(4)(a) Unless otherwise provided under paragraph (b) of this subsection, the defendant shall pay to the court any court-appointed attorney fees agreed to under ORS 813.200 (4)(i). Payments shall be made prior to the end of the diversion period on a schedule determined by the court.

(b) The court may waive all or part of the court-appointed attorney fees agreed to under ORS 813.200 (4)(i).

(5) The defendant shall begin paying to the court any restitution ordered under ORS 137.108. Payments shall be made during the

diversion period on a schedule determined by the court.

(6) The defendant shall cause a copy of the petition for a driving while under the influence of intoxicants diversion agreement to be served upon the district attorney or city attorney. The district attorney or city attorney may file with the court, within 15 days after the date of service, a written objection to the petition and a request for a hearing. (d) The defendant was not participating in a driving while under the influence of intoxicants diversion program or in any similar alcohol or drug rehabilitation program in this state or in another jurisdiction on the date the defendant filed the petition for a driving while under the influence of intoxicants diversion agreement. A defendant is not ineligible for diversion under this paragraph by reason of participation in a diversion program or any similar alcohol or drug rehabilitation program as a result of the

charge for the present offense or a charge for violation of ORS 471.430.

(e) The defendant did not participate in a diversion or rehabilitation program described in paragraph (d) of this subsection within the period beginning 15 years before the date of the commission of the present offense and ending on the date the defendant filed the petition for a driving while under the influence of intoxicants diversion agreement. (f) The defendant had no charge of an offense of aggravated vehicular homicide or of murder, manslaughter, criminally negligent homicide or assault that resulted from the operation of a motor vehicle pending in this state or in another jurisdiction on the date the defendant filed the petition for a driving while under the influence of intoxicants diversion agreement.

(g) The defendant has not been convicted of an offense described in paragraph (f) of this subsection within the period beginning 15 years before the date of the commission of the present offense and ending on the date the defendant filed the petition for a driving while under the influence of intoxicants diversion agreement.

(3) A defendant is eligible for a second or subsequent diversion if the defendant meets all of the conditions of subsection (1) of this section and the defendant has not been convicted of any other criminal offense involving a motor vehicle within the period

beginning 15 years before the date of the commission of the present offense and ending on the date the defendant filed the petition for the second or subsequent driving while under the influence of intoxicants diversion agreement. [1987 c.441 §3; 1997 c.749 §5; 1999 c.445 §1; 1999 c.1051 §295; 2005 c.649 §29; 2007 c.122 §11; 2007 c.867 §14; 2007 c.879 §10; 2009 c.515 §1; 2013 c.134 §1; 2013 c.237 §28; 2016 c.24 §62; 2017 c.21 §85]

813.220 Matters to be considered by court in determining to allow diversion agreement; reasons for denial. After the time for requesting a hearing under ORS 813.210 has expired with no request for a hearing, or after a hearing requested under ORS 813.210, the court shall determine whether to allow or deny a petition for a driving while under the influence of intoxicants diversion agreement. In making a determination under this section, the court:

(1) Shall consider whether the diversion will be of benefit to the defendant and the community.

(2) May take into consideration whether there was an early recognition by the defendant during the proceeding that a course of diagnosis and treatment of problem drinking, alcoholism or drug dependency would be beneficial.

(3) May take into consideration whether there is a probability that the defendant will cooperate with the diagnostic assessment and treatment agencies.

(4) May take into consideration whether the defendant will observe the restrictions contained in the diversion agreement.

(5) May take into consideration whether the offense was committed in a motor vehicle and whether there was a passenger in the motor vehicle who was under 18 years of age and at least three years younger than the defendant.

(6) Shall deny the petition for a driving while under the influence of intoxicants diversion agreement if the defendant failed to appear at an arraignment on the present offense without good cause.

(7) Shall deny the petition for a driving while under the influence of intoxicants diversion agreement if, after the date the defendant filed the petition, the defendant was charged with or convicted of:

(a) An offense of driving while under the influence of intoxicants in violation of:

(A) ORS 813.010; or

(B) The statutory counterpart to ORS 813.010 in another jurisdiction;

(b) A driving under the influence of intoxicants offense in another jurisdiction that involved the impaired driving of a vehicle due to the use of intoxicating liquor,

cannabis, a controlled substance, an inhalant or any combination thereof; or

(c) A driving offense in another jurisdiction that involved operating a vehicle while having a blood alcohol content above that jurisdiction's permissible blood alcohol content.

(8) Shall deny the petition for a driving while under the influence of intoxicants diversion agreement if the defendant participated in a driving while under the influence of intoxicants diversion program or in any similar alcohol or drug rehabilitation program, other than a program entered into as a result of the charge for the present offense, in this state or in another jurisdiction after the date the defendant filed the petition.

(9) Shall deny the petition for a driving while under the influence of intoxicants diversion agreement if the defendant was charged with or convicted of an offense of aggravated vehicular homicide or of murder, manslaughter, criminally negligent homicide or assault that resulted from the operation of a motor vehicle in this state or in another jurisdiction after the date the defendant filed the petition.

(10) Shall deny the petition for a driving while under the influence of intoxicants diversion agreement if the defendant has been convicted of a felony offense described in ORS 813.010 (5)(a).

(11) For the purposes of subsection (7) of this section, may not consider a conviction for a driving offense in another jurisdiction based solely on a person under 21 years of age having a blood alcohol content that is lower than the permissible blood alcohol content in that jurisdiction for a person 21 years of age or older as a prior conviction.

(12) May not deny the petition for a driving while under the influence of intoxicants diversion agreement solely on the basis that the defendant is a member of the Armed Forces of the United States, the reserve components of the Armed Forces of the United States or the National Guard and has been called or demonstrates that the defendant will be called to active duty, and the military service will impair the defendant's ability to complete the diversion program. [1983 c.338 §371; 1987 c.441 §6; 1997 c.749 §6; 1999 c.1051 §296; 2003 c.445 §2; 2007 c.867 §15; 2007 c.879 §7; 2011 c.197 §1; 2017 c.21 §86]

813.222 Right of victim to be present at hearing. (1) If a driving while under the influence of intoxicants offense involves damage to property of a person other than the defendant, the victim of the property damage has a right to be present and to be heard at any hearing on a petition for a diversion agreement.

(2) The district attorney or city attorney shall notify the victim that the defendant may be eligible for diversion and that if there is a hearing on a petition for diversion, the victim has a right to be present and to be heard at the hearing. [1999 c.445 §3]

813.225 Petition for extension of diversion period; conditions. (1) A defendant may apply by motion to the court in which a driving while under the influence of intoxicants diversion agreement described in ORS 813.230 was entered for an order extending the diversion period:

(a) Within 30 days prior to the end of the diversion period; or

(b) If the defendant is serving on active duty as a member of the Armed Forces of the United States, or is a member of the reserve components of the Armed Forces of the United States or the National Guard, at any time prior to the end of the diversion period.

(2) Petition forms for an application for an extension under this section shall be available to a defendant at the court.

(3) The form of the petition for an extension under this section shall be determined by the Supreme Court under ORS 1.525. The petition forms made available to a defendant by any city or state court shall conform to the requirements of the Supreme Court.

(4) The court may grant a petition for an extension filed under this section if the court finds that the defendant made a good faith effort to complete the conditions of the diversion agreement and that the defendant can complete the conditions of the diversion agreement within the requested extended diversion period.

(5) An extension granted under this section may be for no more than 180 days from the ending date of the original diversion period or for another time period the court allows under subsection (7) of this section.

(6) Except as provided in subsection (7) of this section, a court may grant a defendant only one extension of a diversion period under this section.

(7) The court may extend the diversion period as necessary to allow the defendant sufficient time to complete the conditions of the diversion agreement if the defendant:

(a) Is a member of the Armed Forces of the United States, the reserve components of the Armed Forces of the United States or the National Guard;

(b) Is on active duty or has received orders that the defendant will be called to active duty; and

(c) Demonstrates that the military service will impair the defendant's ability to

complete the conditions of the diversion agreement and no comparable treatment program described in ORS 813.233 is available.

(8) If the court grants the petition for an extension under this section, the following apply:

(a) If the defendant fully complies with the conditions of the diversion agreement within the extended diversion period, the court may dismiss the charge with prejudice under ORS 813.250.

(b) If the court finds that the defendant failed to comply with the diversion agreement within the extended diversion period, the court shall enter the guilty plea or no contest plea filed as part of the petition for a diversion agreement, shall enter a judgment of conviction and shall sentence the defendant.

(9) If the court denies the petition for an extension under this section, the court shall enter the guilty plea or no contest plea filed as part of the petition for a diversion agreement, shall enter a judgment of conviction and shall sentence the defendant. [1997 c.749 §7; 2003 c.816 §3; 2011 c.197 §2]

813.230 Diversion agreement; record; duration; effect of denial. (1) When the court allows a petition for a driving while under the influence of intoxicants diversion agreement filed as provided in ORS 813.210, the judge taking that action shall:

(a) Accept the guilty plea or no contest plea filed as part of the petition for a diversion agreement but withhold entry of a judgment of conviction; and

(b) Sign the petition and indicate thereon the date of allowance of the diversion period, the length of the diversion period and the date upon which the driving while under the influence offense occurred.

(2) The petition when signed and dated becomes the diversion agreement between the defendant and the court. The court shall make the agreement a part of the record of the case. The court shall notify the Department of Transportation of the diversion agreement in a form agreed to by the department and the State Court Administrator within 48 hours after allowing the petition. The department shall make the fact of the diversion agreement a part of the defendant's operating record.

(3) A driving while under the influence of intoxicants diversion agreement shall be for a period of one year after the date the court allows the petition. During the diversion period the court shall stay the driving while under the influence of intoxicants offense proceeding pending completion of the diversion agreement or its termination.

(4) When the court denies a petition for a driving while under the influence of intoxicants diversion agreement, it shall continue the offense proceeding against the defendant. The guilty plea or no contest plea filed as part of the petition for the diversion agreement may not be used in the offense proceeding under this subsection. [1983 c.338 §372; 1985 c.16 §193; 1985 c.710 §7; 1993 c.751 §71; 2003 c.816 §4]

813.233 Exemption from completing treatment program in this state. In lieu of completing a treatment program in this state as a part of completing the conditions of a driving while under the influence of intoxicants diversion agreement in this state, the court may allow a defendant who is a member of the Armed Forces of the United States, the reserve components of the Armed Forces of the United States or the National Guard and who is serving on active duty to participate in a comparable treatment program conducted by or authorized by a government entity in another jurisdiction. [2011 c.197 §5]

Note: 813.233 was added to and made a part of the Oregon Vehicle Code by legislative action but was not added to ORS chapter 813 or any series therein. See Preface to Oregon Revised Statutes for further explanation.

813.235 Attendance at victim impact treatment session as condition of diversion; fee. In a county that has a victim impact program a court may require as a condition of a driving while under the influence of intoxicants diversion agreement that the defendant attend a victim impact treatment session. If the court requires attendance under this section, the court may require the defendant, as part of the diversion agreement, to pay a reasonable fee to the victim impact program to offset the cost of the defendant's participation. The fee shall be established for each county by the victim impact panel coordinator and steering committee of that county and shall be not less than \$5 or more than \$50. [1987 c.830 §2; 1993 c.468 §2]

813.240 Amount and distribution of filing fee; screening interview fee. (1) The filing fee paid by a defendant at the time of filing a petition for a driving while under the influence of intoxicants diversion agreement as provided in ORS 813.210 is \$490. A fee collected under this subsection in the circuit court shall be deposited by the clerk of the court in the Criminal Fine Account. If the fee is collected in a municipal or justice court, \$290 of the fee shall be forwarded by the court to the Department of Revenue for deposit in the Criminal Fine Account, and the remainder of the fee shall be paid to the city or county treasurer.

(2) If less than the full filing fee is collected under subsection (1) of this section in a municipal or justice court, the money received shall be allocated first to the Department of Revenue for deposit in the Criminal Fine Account.

(3) In addition to the filing fee under subsection (1) of this section, the court shall order the defendant to pay \$150 directly to the agency or organization providing the screening interview. [1983 c.338 §373; 1985 c.16 §194; 1985 c.277 §3; 1987 c.905 §30; 1989 c.576 §§8a,9a; 1989 c.635 §§2,4; 1991 c.557 §6; 1993 c.13 §7; 1999 c.1051 §297; 2003 c.737 §§71,72; 2005 c.303 §§2,3; 2005 c.702 §§85,86,87; 2009 c.595 §1143; 2011 c.595 §§167,186; 2011 c.671 §4; 2012 c.81 §§4,5; 2015 c.318 §52]

813.245 Booking. When a court grants a petition for a driving while under the influence of intoxicants diversion agreement, a court shall ensure that the defendant submits to booking, if the defendant has not already been booked on the charge of driving while under the influence of intoxicants in violation of ORS 813.010. [2015 c.145 §3]

Note: 813.245 was added to and made a part of ORS chapter 813 by legislative action but was not added to any smaller series therein. See Preface to Oregon Revised Statutes for further explanation.

813.250 Motion to dismiss charge on completion of diversion; admissibility of statements. (1) At any time after the conclusion of the period of a driving while under the influence of intoxicants diversion agreement described in ORS 813.230, a defendant who has fully complied with and performed the conditions of the diversion agreement may apply by motion to the court wherein the diversion agreement was entered for an order dismissing the charge with prejudice.

(2) The defendant shall cause to be served on the district attorney or city attorney a copy of the motion for entry of an order dismissing with prejudice the charge of driving while under the influence of intoxicants. The motion shall be served on the district attorney or city attorney at the time it is filed with the court. The district attorney or city attorney may contest the motion.

(3) If the defendant does not appear as provided by subsection (1) of this section within six months after the conclusion of the diversion period, and if the court finds that the defendant fully complied with and performed the conditions of the diversion agreement, and if it gives notice of that finding to the district attorney or city attorney the court may on its own motion enter an order dismissing the charge of driving while under the influence of intoxicants with prejudice.

(4) No statement made by the defendant about the offense with which the defendant is charged shall be offered or received in evidence in any criminal or civil action or proceeding arising out of the same conduct

which is the basis of the charge of driving while under the influence of intoxicants, if the statement was made during the course of the screening interview or treatment program and to a person employed by the program. [1983 c.338 §374; 1985 c.16 §195; 1987 c.441 §7; 2015 c.318 §53]

813.252 Motion to dismiss charge when minimal fine amount remains. (1) At any time before entry of a judgment of conviction and within 180 days after the conclusion of the period of a driving while under the influence of intoxicants diversion agreement described in ORS 813.230 or an extension described in ORS 813.225, a defendant who has complied with and performed all of the conditions of the diversion agreement, except that the defendant owes \$500 or less of the fees required under ORS 813.200, 813.210, 813.235 and 813.240, may apply by motion to the court wherein the diversion agreement was entered for a judgment dismissing with prejudice the charge of driving while under the influence of intoxicants.

(2) The defendant shall cause to be served on the district attorney or city attorney a copy of the motion for a judgment dismissing with prejudice the charge of driving while under the influence of intoxicants. The copy of the motion shall be served on the district attorney or city attorney at the time the motion is filed with the court. The district attorney or city attorney may contest the motion.

(3) At the hearing on the motion described in subsection (1) of this section, the court shall dismiss with prejudice the charge of driving while under the influence of intoxicants, if the defendant pays the balance of the fees owed by 5 p.m. on the day the hearing is held. The defendant may also pay the balance of the fees owed before the day the hearing is held.

(4) Before the court dismisses with prejudice a charge of driving while under the influence of intoxicants under this section, the court shall enter a judgment containing a money award, as defined in ORS 18.005, for any remaining amount of restitution owed by the defendant. [2013 c.78 §3]

Note: 813.252 was added to and made a part of ORS chapter 813 by legislative action but was not added to any smaller series therein. See Preface to Oregon Revised Statutes for further explanation.

813.255 Termination of diversion. (1) At any time before the court dismisses with prejudice the charge of driving while under the influence of intoxicants, the court on its own motion or on the motion of the district attorney or city attorney may issue an order requiring the defendant to appear and show cause why the court should not terminate

the diversion agreement. The order to show cause must:

(a) State the reasons for the proposed termination;

(b) Specify the amount of any fees owed and, if the amount owed is \$500 or less, inform the defendant that the court may dismiss with prejudice the charge of driving while under the influence of intoxicants if the person has complied with and performed all of the conditions of the diversion agreement and pays the remaining amount before or on the date of the hearing; and

(c) Set an appearance date.

(2) The order to show cause shall be served on the defendant and on the defendant's attorney, if any. Service may be made by first class mail, postage paid, addressed to the defendant at the mailing address shown on the diversion petition and agreement or at any other address that the defendant provides in writing to the court.

(3) Except as provided in subsections (4), (5) and (6) of this section, the court shall terminate the diversion agreement and enter the guilty plea or no contest plea that was filed as part of the petition for the diversion agreement if the defendant fails to appear at the hearing on the order to show cause or if, at the hearing on the order to show cause, the court finds by a preponderance of the evidence that:

(a) The defendant no longer qualifies for the diversion agreement under the conditions described in ORS 813.215; or

(b) The defendant failed to fulfill all of the terms of the diversion agreement.

(4) If a defendant is a member of the Armed Forces of the United States, the reserve components of the Armed Forces of the United States or the National Guard and is on active duty, the court shall:

(a) Allow the defendant to appear at the hearing by telephone or other communication device approved by the court, if the defendant's military service permits such an appearance; or

(b) Stay the termination proceeding if the defendant's military service prohibits the defendant's appearance by telephone or other communication device and prohibits the defendant from aiding and assisting the attorney who would appear on the defendant's behalf.

(5) If the defendant appears at the hearing on the order to show cause, the court shall dismiss with prejudice the charge of driving while under the influence of intoxicants if:

(a) The defendant has complied with and performed all of the conditions of the diver-

sion agreement except that the defendant owes \$500 or less of the fees required under ORS 813.200, 813.210, 813.235 and 813.240; and

(b) The defendant pays the balance of the fees owed by 5 p.m. on the day the hearing is held. The defendant may also pay the balance of the fees owed before the day the hearing is held.

(6) A court may not terminate a diversion agreement under this section for failure to pay restitution under ORS 137.108 if the defendant has otherwise complied with and performed all of the conditions of the diversion agreement.

(7) Before the court dismisses with prejudice the charge of driving while under the influence of intoxicants under this section, the court shall enter a judgment containing a money award, as defined in ORS 18.005, for any remaining amount of restitution owed by the defendant.

(8) If the court terminates the diversion agreement and enters the guilty plea or no contest plea, the court may take into account at time of sentencing any partial fulfillment by the defendant of the terms of the diversion agreement. [1987 c.441 §9; 2003 c.816 §5; 2011 c.197 §3; 2013 c.78 §1]

813.260 Designation of agencies to perform screening interviews; duties of agency. (1) Courts having jurisdiction over driving while under the influence of intoxicants offenses shall designate agencies or organizations to perform the screening interview and treatment required under driving while under the influence of intoxicants diversion agreements described in ORS 813.200. The designated agencies or organizations must meet minimum standards established pursuant to ORS 430.357 to perform the screening interview and treatment of problem drinking, alcoholism and drug dependency and must be certified by the Director of the Oregon Health Authority. Wherever possible a court shall designate agencies or organizations to perform the screening interview that are separate from those that may be designated to carry out a program of treatment.

(2) Monitoring of a defendant's progress under a diversion agreement shall be the responsibility of the agency or organization performing the screening interview. The agency or organization shall make a report to the court stating the defendant's successful completion or failure to complete all or any part of the treatment program specified by the screening interview. The form of the report shall be determined by agreement be-

tween the court and the agency or organization performing the screening interview. The court shall make the report of the agency or organization performing the screening interview that is required by this subsection a part of the record of the case. [1983 c.338 §375; 1991 c.557 §7; 2009 c.595 §1144; 2011 c.673 §43; 2015 c.318 §54]

The moneys in the fund may be used only for the following purposes:

(1) To pay for providing treatment for individuals who enter diversion agreements under ORS 813.200 and who are found to be indigent. EVIDENCE

813.300 Use of blood alcohol percentage as evidence; percentage required for being under the influence. (1) At the trial of any civil or criminal action, suit or proceeding arising out of the acts committed by a person driving a motor vehicle while under the influence of intoxicants, if the amount of alcohol in the person's blood at the time alleged is less than 0.08 percent by weight of alcohol as shown by chemical analysis of the person's breath or blood, it is indirect evidence that may be used with other evidence, if any, to determine whether or not the person was then under the influence of intoxicants.

(2) Not less than 0.08 percent by weight of alcohol in a person's blood constitutes being under the influence of intoxicating liquor.

(3) Notwithstanding subsection (2) of this section, for purposes of the Motorist Implied Consent Law as defined in ORS 801.010, for a person who is under 21 years of age, any amount of alcohol in the blood constitutes being under the influence of intoxicating liquor.

(4) Percent by weight of alcohol in the blood shall be based upon grams of alcohol per 100 milliliters of blood or based upon grams of alcohol per 210 liters of breath. [1983 c.338 §590; 1985 c.16 §297; 1989 c.715 §7; 1991 c.860 §8; 2011 c.260 §1]

813.310 Refusal to take chemical test admissible as evidence. If a person refuses to physically submit to a chemical test under ORS 813.100 or 813.131, evidence of the person's refusal is admissible in any civil or criminal action, suit or proceeding arising out of acts alleged to have been committed while the person was driving a motor vehicle on premises open to the public or the highways while under the influence of intoxicants. [1983 c.338 §595; 1985 c.16 §301; 2019 c.475 §8]

813.320 Effect of implied consent law on evidence. (1) The provisions of the implied consent law, except ORS 813.300, shall not be construed by any court to limit the introduction of otherwise competent, relevant evidence in any civil action, suit or proceedings or in any criminal action other than a violation of ORS 813.010 or a similar municipal ordinance in proceedings under ORS 813.410.

(2) The provisions of the implied consent law shall not be construed by any court to limit the introduction of otherwise competent, relevant evidence of the amount of alcohol in the blood of a defendant in a prosecution for driving while under the influence of intoxicants. [1983 c.338 §596; 1985 c.16 §302; 1999 c.437 §1; 2019 c.475 §9]

813.322 Department of State Police rules regarding breath tests as evidence; validity of officer's permit. (1) A court shall, at the request of a party to the case, admit into evidence, without certification, a copy of administrative rules of the Department of State Police addressing methods of conducting chemical tests of a person's breath in a proceeding arising from the arrest of a person for driving while under the influence of intoxicants.

(2) If a police officer testifies in a proceeding arising from the arrest of a person for driving while under the influence of intoxicants that the officer has a valid permit to perform analysis of a person's breath, the defendant has the burden of moving forward with evidence to show that the officer does not have a valid permit. [1999 c.446 §2]

Note: 813.322 was added to and made a part of the Oregon Vehicle Code by legislative action but was not added to ORS chapter 813 or any series therein. See Preface to Oregon Revised Statutes for further explanation.

813.324 Use of testimony from implied consent hearing as evidence in prosecution. (1) If the prosecuting attorney or the attorney for the defendant in a prosecution for driving while under the influence of intoxicants obtains a tape or a transcript of a hearing held for the defendant under ORS 813.410, the attorney must provide a copy of the tape or transcript to the attorney for the other party at least seven days prior to the first date set for trial. If the attorney fails to supply the material in the time required, testimony from the hearing may not be admitted in evidence in the trial for any purpose, unless the attorney shows good cause for the failure to make the material available.

(2) The cost of a copy of a tape or transcript furnished under subsection (1) of this section shall be borne by the party who receives the copy.

(3) Nothing in this section requires a tape to be transcribed by the attorney who is required to provide a tape or transcript under subsection (1) of this section. [1999 c.831 §3]

Note: 813.324 was enacted into law by the Legislative Assembly but was not added to or made a part of the Oregon Vehicle Code or any chapter or series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

813.326 Felony driving while under the influence of intoxicants; prior convictions. (1) In a prosecution for felony driving while under the influence of intoxicants under ORS 813.010, the state shall plead the prior convictions and shall prove the prior convictions unless the defendant stipulates to that fact prior to trial. If the

defendant so stipulates and the trial is by jury:

(a) The court shall accept the stipulation regardless of whether or not the state agrees to it;

(b) The defendant's stipulation to the prior convictions constitutes a judicial admission to that element of the accusatory instrument. The stipulation shall be made a part of the record of the case, but shall not be offered or received in the presence of the jury;

(c) For the purpose of establishing the prior convictions solely as an element of the crime under ORS 813.010, neither the court nor the state shall reveal to the jury the prior convictions, but the prior convictions are established in the record by the defendant's stipulation; and

(d) The court shall not submit the accusatory instrument or evidence of the prior convictions to the jury.

(2) In a proceeding under ORS 813.010, the state may offer, and the court may receive and submit to the jury, evidence of the prior convictions for impeachment of the defendant or another purpose, other than establishing the prior convictions as an element of the offense, when the evidence of the prior convictions is otherwise admissible for that purpose. When evidence of the prior convictions has been admitted by the court, the state may comment upon, and the court may give instructions about, the evidence of the prior convictions only to the extent that the comments or instructions relate to the purpose for which the evidence was admitted.

(3) When the defendant stipulates to the prior convictions required as an element of felony driving while under the influence of intoxicants under ORS 813.010, if the jury finds the defendant guilty upon instruction regarding the balance of the elements of the crime, the court shall enter a judgment of guilty of felony driving while under the influence of intoxicants.

(4) As used in this section, "conviction" includes a juvenile adjudication. [1999 c.1049 §5; 2009 c.525 §2]

Note: 813.326 was enacted into law by the Legislative Assembly but was not added to or made a part of the Oregon Vehicle Code or any chapter or series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

813.328 Notice of intent to challenge validity of prior convictions. (1) A defendant who challenges the validity of prior convictions alleged by the state as an element of felony driving while under the influence of intoxicants must give notice of the intent to challenge the validity of the prior convictions at least seven days prior to the first date set for trial on the felony charge. The

validity of the prior convictions shall be determined prior to trial by the court.

(2) As used in this section, "conviction" includes a juvenile adjudication. [1999 c.1049 §4; 2009 c.525 §3]

SUSPENSION (For Conviction)

813.400 Suspension or revocation upon conviction; duration; review. (1) Except as provided in subsection (2) of this section, upon receipt of a record of conviction for misdemeanor driving while under the influence of intoxicants, the Department of Transportation shall suspend the driving privileges of the person convicted. The suspension shall be for a period described under Schedule II of ORS 809.428, except the department shall not reinstate any driving privileges to the person until the person complies with future responsibility filings. A person is entitled to administrative review under ORS 809.440 of a suspension imposed under this subsection.

(2) A person convicted of felony driving while under the influence of intoxicants, or a person convicted of misdemeanor driving while under the influence of intoxicants for a third or subsequent time, is subject to revocation of driving privileges as provided in ORS 809.235. [1983 c.338 §353(8); 1985 c.16 §166(8); 1985 c.393 §10a(8); 1985 c.669 §2a(8); 1991 c.702 §13; 2001 c.786 §3; 2003 c.346 §1; 2003 c.402 §40; 2005 c.436 §2]

813.403 [1989 c.636 §40; 1991 c.702 §14; 2003 c.402 §41; repealed by 2013 c.237 §12]

813.404 [1989 c.636 §41; 1991 c.185 §16; 1993 c.305 §5; 1995 c.568 §5; 2003 c.402 §42; 2005 c.649 §25; repealed by 2013 c.237 §12]

(Under Implied Consent Law)

813.410 Suspension upon receipt of police report on implied consent test; hearing; validity of suspension; appeal; rules. (1) If the Department of Transportation receives from a police officer a report that is in substantial compliance with ORS 813.120, the department shall suspend the driving privileges of the person in this state on the 30th day after the date of arrest or, if the report indicates that the person failed a blood test, on the 60th day after receipt of the report, unless, at a hearing described under this section, the department determines that the suspension would not be valid as described in this section. A suspension of driving privileges imposed under this subsection shall be for a period of time established under ORS 813.420.

(2) If the department receives from a police officer a report under ORS 813.120 and the person holds commercial driving privileges and the person was driving a motor vehicle or commercial motor vehicle and re-

fused to submit to a test under ORS 813.100 or the person was driving a commercial motor vehicle and submitted to a breath or blood test and the person's blood, as shown by the test, had 0.04 percent or more by weight of alcohol, the department shall suspend the person's commercial driving privileges on the 30th day after the date of arrest or, if the report indicates that the person failed a blood test, on the 60th day after receipt of the report, unless, at a hearing described under this section, the department determines that the suspension would not be valid as described in this section. A commercial driving privileges suspension imposed under this subsection shall be for a period of time established under ORS 809.510 or 809.520.

(3) If within 10 days from the date of arrest, or, if the person fails a blood test, within 10 days from the date the department sends notice of suspension, the department receives a request for a hearing from a person whose driving privileges or commercial driving privileges the department proposes to suspend under this section, the department shall provide a hearing in accordance with this section. The person shall request a hearing in the form and manner prescribed by the department by rule. Except as otherwise provided under this section, a hearing held by the department under this section is subject to the provisions for contested cases, other than appeal provisions, under ORS chapter 183. The applicable appeal provisions are as provided under ORS 813.450 and section 24, chapter 672, Oregon Laws 1985. Notwithstanding ORS 809.430, the department is not required to give any notice of intent to suspend or suspension in addition to that provided under ORS 813.100.

(4) Except as provided in subsection (5) of this section, a hearing required by this section is subject to all of the following:

(a) The hearing shall be conducted by an administrative law judge assigned from the Office of Administrative Hearings established under ORS 183.605.

(b) The administrative law judge shall conduct the hearing by telephone or other two-way electronic communication device.

(c) The department may authorize the administrative law judge to issue a final order in any case.

(d) A person who requests a hearing under this section and who fails, without just cause, to appear personally or through an attorney waives the right to a hearing. If a person waives a right to a hearing under this paragraph, the department is not required to make any showing at hearing.

(e) Except as provided in ORS 813.440 or upon remand under ORS 813.450, the department shall hold the hearing and issue a final order within 30 days of the date of the arrest or, if the person fails a blood test, within 60 days from the date the department received the report of the failure.

(f) In connection with the hearing, the department or its authorized representative may administer oaths and shall issue subpoenas for the appearance of witnesses by telephone or other two-way electronic communication device at the hearing requested by the person or the department and the production of relevant documents.

(g) The hearing shall be recorded by whatever means may be determined by the department and shall include testimony and exhibits, if any. The record of the proceedings may not be transcribed unless requested by a party to the proceeding.

(5)(a) A person or a police officer may request that a hearing required by this section be conducted in person.

(b) The department, by rule, shall establish the manner and time limitation requirements by which a person or a police officer may request that a hearing be conducted in person.

(c) Unless there is an agreement between the person and the department that the hearing be conducted elsewhere, a hearing requested under this subsection shall be held either in the county where the alleged offense occurred or at any place within 100 miles of the place where the offense is alleged to have occurred, as established by the department by rule.

(d) In connection with the hearing, the department or its authorized representative may administer oaths and shall issue subpoenas for the attendance of witnesses at the hearing requested under this subsection by the person and the production of relevant documents.

(6) This subsection shall be narrowly construed so as to effect the legislative purpose of limiting the scope of hearings under this section. The scope of a hearing under this section shall be limited to whether the suspension is valid as described in this subsection. A suspension under this section is valid if all of the following requirements have been met:

(a) The person, at the time the person was requested to submit to a test under ORS 813.100, was under arrest for driving while under the influence of intoxicants in violation of ORS 813.010 or a municipal ordinance.

(b) The police had reasonable grounds to believe, at the time the request was made,

that the person arrested had been driving under the influence of intoxicants in violation of ORS 813.010 or of a municipal ordinance.

(c) The person refused a test under ORS 813.100, or took a breath or blood test and the test disclosed that the level of alcohol in the person's blood at the time of the test was:

(A) 0.08 percent or more by weight if the person was not driving a commercial motor vehicle;

(B) 0.04 percent or more by weight if the person was driving a commercial motor vehicle; or

(C) Any amount if the person was under 21 years of age.

(d) If the report under ORS 813.120 indicates that the person was driving a commercial motor vehicle, the vehicle was in fact a commercial motor vehicle as defined in ORS 801.208.

(e) The person had been informed under ORS 813.100 of rights and consequences as described under ORS 813.130.

(f) The person was given written notice required under ORS 813.100.

(g) If the person arrested submitted to a test under ORS 813.100, the person administering the test was qualified to administer the test under ORS 813.160.

(h) If the person arrested submitted to a test under ORS 813.100, the methods, procedures and equipment used in the test complied with requirements under ORS 813.160.

(7) A suspension imposed under this section shall remain in effect pending any appeal or remand of a final order issued under this section and there shall be no stay of the suspension pending appeal or remand.

(8) Unless a person fails, without just cause, to appear personally or through an attorney at a hearing requested under this section, a person shall have the right to appeal any final order by the department after a hearing under this section by filing a petition. The following apply to this subsection:

(a) The person shall file the petition in the circuit court for the county where the person resides or, if the person does not reside in Oregon, in the circuit court of the county in which the arrest took place within 30 days after issuance of the final order of the department.

(b) The court upon receipt of the petition shall set the matter for hearing upon 10 days' notice to the department and the petitioner unless hearing is waived by both the department and the petitioner. [1983 c.338 §358;

1985 c.16 §167; 1985 c.672 §13; 1987 c.158 §170; 1989 c.636 §44; 1991 c.860 §11; 1993 c.305 §6; 1993 c.600 §1; 1995 c.568 §6; 1999 c.831 §2; 1999 c.849 §§193,194; 2003 c.75 §67; 2005 c.649 §27; 2007 c.288 §18; 2010 c.37 §1; 2013 c.237 §29; 2019 c.312 §22]

813.412 Role of police officer in implied consent hearing. Notwithstanding ORS 9.160 and 9.320, in any hearing under ORS 813.410 in which a city attorney or district attorney does not appear, a police officer actively involved in the investigation of the offense may present evidence, examine and cross-examine witnesses and make arguments relating to:

(1) The application of statutes and rules to the facts in the case;

(2) The literal meaning of the statutes or rules at issue in the case;

(3) The admissibility of evidence; and

(4) Proper procedures to be used in the hearing. [1999 c.831 §4; 2010 c.37 §2]

Note: 813.412 was enacted into law by the Legislative Assembly but was not added to or made a part of the Oregon Vehicle Code or any chapter or series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

813.420 Duration of suspension for refusal or failure of test. When the Department of Transportation imposes a suspension under ORS 813.410, the suspension shall be for a period of time determined according to the following:

(1) If the suspension is for refusal of a test under ORS 813.100 and the person is not subject to an increase in the suspension time for reasons described in ORS 813.430, the suspension shall be for a period of one year.

(2) If the suspension is for refusal of a test under ORS 813.100 and the person is subject to an increase in the suspension time for reasons described in ORS 813.430, the suspension shall be for a period of three years.

(3) If the suspension is because a breath or blood test under ORS 813.100 disclosed that the person had a level of alcohol in the person's blood that constituted being under the influence of intoxicating liquor under ORS 813.300 and the person is not subject to an increase in the suspension time for reasons described in ORS 813.430, the suspension shall be for a period of 90 days.

(4) If the suspension is because a breath or blood test under ORS 813.100 disclosed that the person had a level of alcohol in the person's blood that constituted being under the influence of intoxicating liquor under ORS 813.300 and the person is subject to an increase in the suspension time for reasons described in ORS 813.430, the suspension shall be for a period of one year. [1985 c.16 §171; 1993 c.305 §7; 1995 c.568 §7]

813.430 Grounds for increase in duration of suspension. This section establishes circumstances under which ORS 813.420 requires an increase in the time for suspension of driving privileges and under which ORS 813.520 requires an increase in the time before the Department of Transportation may issue a hardship permit. A person is subject to an increase in suspension time under this section if any of the following apply:

(1) The person is presently participating in a driving while under the influence of intoxicants diversion program in this state or in any similar alcohol or drug rehabilitation program in this or another jurisdiction.

(2) Within the five years preceding the date of arrest any of the following occurred:

(a) A suspension of the person's driving privileges under ORS 813.410 or 482.540 (1981 Replacement Part) became effective.

(b) The person was convicted of:

(A) Driving while under the influence of intoxicants in violation of:

(i) ORS 813.010;

(ii) The statutory counterpart to ORS 813.010 in another jurisdiction; or

(iii) A municipal ordinance in this state or another jurisdiction;

(B) A driving under the influence of intoxicants offense in another jurisdiction that involved the impaired driving of a vehicle due to the use of intoxicating liquor, cannabis, a controlled substance, an inhalant or any combination thereof; or

(C) A driving offense in another jurisdiction that involved operating a vehicle while having a blood alcohol content above that jurisdiction's permissible blood alcohol content.

(c) The person commenced participating in a driving while under the influence of intoxicants diversion program in this state or in any similar alcohol or drug rehabilitation program in this or another jurisdiction.

(3) For the purposes of subsection (2)(b) of this section, a conviction for a driving offense in another jurisdiction based solely on a person under 21 years of age having a blood alcohol content that is lower than the permissible blood alcohol content in that jurisdiction for a person 21 years of age or older does not constitute a prior conviction. [1985 c.16 §173; 1985 c.672 §15; 1987 c.801 §12; 2007 c.879 §8; 2017 c.21 §87]

813.440 Grounds for hearing on validity of suspension; rules. (1) Notwithstanding ORS 813.410, the Department of Transportation may provide a hearing to determine the validity of a suspension under

ORS 813.410 only if the time requirements under ORS 813.410 could not be met because of any of the following:

(a) The person's physical incapacity, verified by a physician to the satisfaction of the department to be of a nature that would prevent the person from making the appropriate request or attending the hearing.

(b) A death in the immediate family of the person, verified to the satisfaction of the department.

(c) An error of the department.

(d) The inability of a subpoenaed police officer to appear due to the officer's illness, vacation or official duty conflicts. The department shall set forth by rule the conditions that constitute "official duty conflicts." A hearing may not be rescheduled more than once for reasons described in this paragraph.

(e) A request for a change of administrative law judge under ORS 183.645.

(f) The inability of the person's attorney to appear due to the attorney's illness, vacation or scheduling conflict arising from other court or administrative hearing appearances. A hearing must be rescheduled no later than 45 days after the date of the original hearing and may not be rescheduled more than once for reasons described in this paragraph.

(g) Other just cause as defined by the department by administrative rule.

(2) A hearing held under this section is subject to the same provisions as a hearing held under ORS 813.410, except that the department is not required to hold the hearing and make the determination within the time required by ORS 813.410.

(3) The granting of a hearing under this section shall not delay the imposition of a suspension under ORS 813.410 within the time required under ORS 813.410. However, if a person establishes that the person was deprived by either department error or a subpoenaed police officer's illness, vacation or official duty conflicts of an opportunity to appear at a hearing, the department shall rescind the suspension and shall promptly schedule a subsequent hearing to determine the validity of the suspension under ORS 813.410. In other cases under this section, when the department is unable to hold the hearing within the time required by ORS 813.410, the department shall rescind any suspension imposed under ORS 813.410 only if the department determines, at a hearing held under this section, that the suspension was not valid as described under ORS 813.410.

(4) The following apply to this section:

(a) The department shall issue a final order within 10 days after the hearing described in this section.

(b) If the department has rescinded a suspension under subsection (3) of this section and if the department, at the hearing described in this section, determines that the suspension is valid as described under ORS 813.410, the department shall reinstate the suspension effective five days after the final order is issued.

(c) Notwithstanding ORS 809.430, no additional notice or order of suspension need be given. [1985 c.16 §169; 1985 c.672 §14; 1987 c.272 §5; 1993 c.600 §2; 1999 c.831 §1; 2001 c.294 §§9,10; 2003 c.75 §68; 2009 c.520 §1]

813.450 Appeal from suspension for refusal or failure of breath test. (1) The petition to the circuit court appealing an order of the Department of Transportation after a hearing under ORS 813.410 shall state the nature of the petitioner's interest and the ground or grounds upon which the petitioner contends the order should be reversed or remanded.

(2) The court shall conduct the review without a jury. Review shall be limited to the record of the department's hearing.

(3) Any party to the proceedings before the circuit court may appeal from the judgment of the court to the Court of Appeals.

(4) Upon review in the circuit court and Court of Appeals, the court may affirm, reverse or remand the order as follows:

(a) If the court finds that the department has erroneously interpreted a provision of law and that a correct interpretation compels a particular action, it shall:

(A) Set aside or modify the order; or

(B) Remand the case to the department for further action under a correct interpretation of the provision of law.

(b) The court shall remand the order to the department if it finds the department's exercise of discretion to be any of the following:

(A) Outside the range of discretion delegated to the agency by law.

(B) Inconsistent with a department rule, an officially stated department position, or a prior department practice, if the inconsistency is not explained by the department.

(C) Otherwise in violation of a constitutional or statutory provision.

(c) The court shall set aside or remand the order if it finds that the order is not supported by substantial evidence in the record.

(5) Upon review, the court shall affirm the department's order unless the court finds

a ground for setting aside, modifying or remanding to the department under a specified provision of this section.

(6) In any review under this section, the court shall also review de novo determinations made by an agency that are subject to ORS 183.650 (4). [1985 c.672 §23; 1999 c.849 §§196,197; 2003 c.75 §69]

813.460 Department procedures upon verification of suspension of driving privileges of wrong person. If the Department of Transportation verifies to its satisfaction that it has suspended the driving privileges of the wrong person under ORS 813.410 because a person arrested for driving under the influence of intoxicants gave false identification at the time of the arrest, all the following apply:

(1) The department shall immediately rescind the suspension order under the false name and shall issue a suspension order for the period set forth in ORS 813.420 to the person arrested.

(2) The department shall issue the order in the manner set forth in ORS 809.430.

(3) No further notice of suspension need be given.

(4) The time limitations in ORS 813.410 (1), (2), (3) and (4)(e) do not apply to a suspension order issued under this section. [1985 c.672 §25; 1989 c.636 §47]

813.470 Department notation on record of person acquitted after suspension. The Department of Transportation shall make a notation on the driving record of a person indicating that the person was acquitted of a charge of driving under the influence of intoxicants if:

(1) The person's driving privileges were suspended because a breath or blood test under ORS 813.100 disclosed that the person had a level of alcohol in the person's blood that constituted being under the influence of intoxicating liquor under ORS 813.300;

(2) An accusatory instrument was filed charging the person with driving under the influence of intoxicants in violation of ORS 813.010 arising out of the same incident that led to the suspension of the person's driving privileges;

(3) The person was acquitted of the charge; and

(4) The person presents the department with a certified copy of the judgment of acquittal from the court clearly showing the location of the court, the date of the arrest and the findings of the court. [1987 c.303 §2; 1993 c.305 §8; 1995 c.568 §8]
