

APPLICATION FOR OREGON DMV MOTOR VEHICLE ACCIDENT PREVENTION COURSE

Driver and Motor Vehicles Services (DMV) approves motor vehicle accident prevention courses that may qualify a person for a reduction of insurance premium by ORS 742.490 to ORS 742.494.

To become an approved motor vehicle accident prevention course, please submit the following:

1. A request from your organization for approval.
2. A lesson plan that is complete enough for the reader to determine the course curriculum includes the following:
 - Defensive driving techniques;
 - Motor vehicle laws; and
 - Influence on driving ability of medication, fatigue, alcohol and drug use, visual auditory limitations, and aging.
3. A statement certifying all the following:
 - A certificate is issued to the participant upon successful completion.
 - There are no more than 30 students per class for classroom instruction.
 - The course is a minimum of six hours.

DMV may withdraw approval of the motor vehicle accident prevention course at any time DMV has reason to believe the requirements of the course are not being met.
