

# Regional Mobility Pricing Project

Fall 2021

## STAY ENGAGED!

Keep up with the latest project news and share your ideas! Follow the Oregon Department of Transportation on social media for updates about the Regional Mobility Pricing Project and ways to get involved. Questions and comments can be submitted at any time to the Project team by email.

The initial planning phase for the Regional Mobility Pricing Project will continue through winter 2022. Based on feedback to date, we will continue to refine the draft Purpose and Need Statement and develop a Congestion Pricing Concept and policy options to meet the Project purpose. We'll bring these forward for additional stakeholder review and comment in early winter 2022.

*We hope you stay engaged to hear about future opportunities and tell us what you think!*
