

Toll Program Inputs

Broad Public and Stakeholder Engagement & Input Received by All Committees and Agencies

Main focus areas

- **EMAC** = Turning recommendations into commitments for sustainable, accountable processes and outcomes to advance equity
- **RTAC** = Regional support for toll projects and partnerships, which includes plans for diversion, transit-multimodal partnerships, alignment of Regional Mobility Pricing Project with policies, and feedback on toll revenue allocation
- **STRAC** = Customer service experience and process to set and adjust rates through the state rulemaking process
