THE DALLES ★ THE PLACE WHERE HONOR LIVES

Welcome to the Oregon Veterans' Home Volunteer Program, we are so glad you are here.

Volunteering is a wonderful way to give back to your community. It is also a way to make new friends and have new experiences, no matter what stage of life you might be in. Young or old, there is something for everyone in our volunteer program.

Many of our residents love to have visitors to reminisce with about the “good old days”, their jobs, service in the military, and their families. They each have a unique perspective on the world and many different experiences to relate to others. Whether a staff member or a volunteer, everyone can learn new things on a daily basis from an older generation. Each day offers something different that helps our residents maintain a quality of life that gives them a sense of well-being and purpose.

The staff of the Oregon Veterans' Home have a large task set before them in their mission to provide a meaningful and quality activity program for our residents and we need your help in fulfilling it.

We are looking forward to working with you. Thank you for your time, consideration, and dedication in choosing to be a volunteer at the Oregon Veterans' Home.

Sincerely,

Linda Waters,

OVH Volunteer Coordinator
