Respective PSAP:

This is a financial update of the 9-1-1 program for the distribution of the fourth quarter 2020 emergency communications tax revenues. These tax revenues are collected from customers during the fourth quarter of 2020 (October through December 2020) by the phone companies. The phone companies pay the collected taxes to Department of Revenue (DOR) and those taxes are then transferred to Oregon Military Department, Office of Emergency Management (OEM) during the period of January through March 2021.

During the quarter beginning January 1 through March 31, 2021, \$15,471,197.07 in tax revenues were received by the department. From these receipts, \$0.00 was paid to the Oregon Department of Revenue for collection and processing costs. Our administrative costs incurred for the past quarter was \$703,093.39. The advance withholding of administrative costs will be \$600,000 less the difference between the estimate and actuals for last quarter less any adjustments or \$491,561.
