REGISTRATION COMING SOON

APRIL 15-17 2026

Attrition (No Shows and Late Cancellations)

- Previous years we would count on about 15% no shows
  - Recently it has been 35%-50%. L101 20 registered, 11 showed.
  - Cancellations for low registration has limited some offerings this fall
    - 2300,2306, 205
- At this time, OEM Training is not instituting a rule or policy for a ban to people that no show or late cancel.
- We just ask for commitment for what you sign up for. Out of respect for the seat you take, and the instructor's time.

Historical Recognition ✕

As Oregon implements NQS to support the credentialing of Incident Command System (ICS) and Emergency Operations Center (EOC) personnel, it recognizes the importance of the valuable experience these personnel have acquired over the years.

To support the implementation, the Oregon Statewide Qualification System will accept applications for historical recognition in Incident Management positions and Emergency Operations Center skillsets from June 1, 2024, to June 1, 2026. Applications for historical recognition will not be accepted after that period.

The historical recognition process is a separate and distinct process from reciprocity to other qualification systems like the National Wildland Coordinating Group (NWCG) and United State Coast Guard (USCG).
