G0191: Emergency Operations Center/Incident Command System Interface

Date(s): November 24, 2025
Time: 8:00 – 5:00 PST

Location: Oregon Department of Emergency Management,
3930 Fairview Industrial Dr SE Salem OR 97302

Course Description:
This course enables students to develop an effective interface between the Incident Command/Unified Command and the Emergency Operations Center by applying National Incident Management System principles.

Course Objectives
- Explain the course structure and potential ICS/EOC interface challenges.
- Explain key NIMS concepts, command and coordination systems, and structures.
- Analyze given scenarios to determine commonalities and potential interface issues between ICS and EOCs.
- Explain the respective roles and interconnectivity of the NIMS command and coordination systems in coordination.
- Contrast the typical role and functions of the Incident Command and the EOC during emergency operations.
- Analyze given scenarios to apply ICS/EOC interface concepts.
- Develop an ICS/EOC interface action plan for your community.

Prerequisites
- IS-100: Introduction to the Incident Command System, ICS 100
