L0146: Homeland Security Exercise & Evaluation Program (HSEEP) Course

Date(s): February 25-26, 2026
Time: 8:00am – 5:00pm PST

Location: Eugene-Springfield Fire, 1705 W 2nd Ave, Eugene, OR 97402

Course Description:

This is an intermediate-level course designed to provide a set of guiding principles, standardized methodology, available resources and practical skill development, which will assist in developing an HSEEP-consistent exercise program. This course describes a common approach to exercise program management, design and development, conduct, evaluation, and improvement planning.

The target audience for this course are individuals involved in planning, program management, design and development, conduct, evaluation, and improvement planning for HSEEP consistent exercises. This includes all levels of government, the private sector, or non-profit partners.

Note: For this specific offering, registration priority will be given to Community Emergency Response Team (CERT) Program Managers.

Course Objectives

- Understand the role of HSEEP in National Preparedness, and how HSEEP exercise principles and methodology support efforts across the whole community to improve our national capacity to build, sustain, and deliver core capabilities.
