

FEMA

The Albany Fire Department is hosting the following training for anyone involved or interested in furthering their expertise in the Incident Command System.

Advanced Incident Command System for Complex Incidents, ICS 400 - 15.00 Hours

Course Description: Enhance your Incident Command skills, with a special focus on new concepts of the Incident Command System (ICS). The training and resources provided in this course will assist personnel who require advanced application of the ICS. The course will also benefit any person who has a responsibility to function in a command post managing an expanding incident.

This course builds upon information covered in the ICS-100, ICS-200, and ICS-300 courses and explains the roles and responsibilities of local, county, state, and federal agencies involved in managing an expanding incident.

You will participate in group activities that introduce the use of an Incident Complex and Area Command, and the interactions between Multi-Agency Coordination (MAC) entities.

Date/Time: February 25th and 26th, 8:00-5:00 pm, 2025

Topics

- Special management challenges for major incidents/events
- Area Command
- Multi-Agency Coordination Systems (MACS)

Target Audience: Personnel expected to perform in a management capacity in an expanding incident that may require a higher level of NIMS/ICS training from the following disciplines/services:

- Fire Service
- Emergency Medical Services (EMS)
- Hazardous Materials (HazMat)
- Law Enforcement (LE)
- Public Health (PH)
- Public Works (PW)
- Emergency Management (EM)
- Government administrative
- Private sector and military
- County, state, and federal agency personnel who may assume a supervisory role in expanding incidents or Type 3 incidents.

Training Location: Albany Fire Station #11, 611 Lyon St SE, Albany, OR 97321

Parking: Parking is free but limited. Carpooling or parking at your city work location and walking would be helpful to other students who are traveling to attend.

Cost: Student Manual: A 209-page PDF student manual will be emailed when all pre-requisites are completed. It is suggested to print the manual for taking notes and use during the class. If you want to use an electronic version, bring your own computer/reader device to access the PDF file.

Meals: Several nearby locations are available for lunch time meals

Registration: <https://www.eventbrite.com/e/ics400-advanced-ics-for-complex-incidents-albany-tickets-1977737808023?aff=oddtcreator>

Questions: Kate Hennessy, kate.hennessy@albanyoregon.gov
Mike Bamberger, michael.bamberger@oregonstate.edu

Prerequisites (clickable links)

Note: If you were not in the ICS 300 class 12/2-4/2025, you need to provide electronic certificates (any version) to confirm your completion of the pre-requisites. Send to: michael.bamberger@oregonstate.edu

Obtain a FEMA Student Identification Number

- **Federal Student Identification (SID) is required for each student.** DHS/FEMA has directed the implementation of the Federal SID for all HSNTF funded participants. If you have attended a federal training in the past 18-24 months you may already have SID #; if so select the option "Forgot Your FEMA SID?"
- **The procedure for obtaining a SID number:**
 1. To register, go to <https://cdp.dhs.gov/femasid>
 2. Click on the "Register for a FEMA SID" button near the top the screen.
 3. Follow the instructions and provide the necessary information to create your account.
 4. You will receive an email with your SID number. You should save this number in a secure location.
