

OREGON DEPARTMENT OF EMERGENCY MANAGEMENT

L0449: Incident Command System (ICS) Curricula Train-the-Trainer

Date(s): March 9-13, 2026
Time: 8:00am – 5:00pm PST

Location: Medford City Hall 2nd Floor,
411 West 8th Street Medford 97501

Course Description:

This course is a capstone course for prospective ICS instructors. Students must have a working knowledge of the ICS core curriculum. This course is designed to advance instructors' knowledge and ability to deliver Incident Command System Curricula related training courses. The student must achieve an 80% minimum pass score of a combined exam that tests the student's knowledge on the prerequisite course curriculums.

Course Objectives

- Explain the background of ICS training development.
- Identify key requirements within the NIMS Training Program that relate to ICS training courses.
- Identify appropriate instructional techniques for the delivery of ICS curricula and facilitation of course activities.
- Identify critical teaching points, participant challenges, and desired outputs for each of the ICS training courses.
- Explain how to coordinate and execute course deliveries.

Prerequisites

- [IS-100: Introduction to the Incident Command System, ICS 100](#)
- [IS-200: Basic Incident Command System for Initial Response, ICS 200](#)
