
Oregon State University - Cascades is hosting the following training for anyone involved or interested in furthering their expertise in the Incident Command System.

Intermediate ICS-300 for Expanding Incidents

21.00 Hours

Course Description: Enhance your Incident Command skills, with a special focus on new concepts of the Incident Command System (ICS). The training and resources provided in this course will assist personnel who require advanced application of the ICS. The course will also benefit any person who has a responsibility to function in an Incident command post or an EOC position managing an expanding incident.

You will participate in group activities that introduce the development of the Incident Action Plan (IAP) and demonstrate the interactions between the Command and General Staff sections of the ICS.

Date/Time: August 11-13, 2026, 8:00 am - 5:00 pm daily

Topics

- How the National Incident Management System (NIMS) Command and Management component supports the management of expanding incidents
- The incident/event management process for supervisors and expanding incidents as prescribed by the Incident Command System (ICS).
- Implementing the incident management process at a simulated incident.
- Developing an Incident Action Plan (IAP) for a simulated incident.

Target Audience: Personnel expected to perform in a management capacity in an expanding incident that may require a higher level of NIMS/ICS training from the following disciplines/services:

- | | |
|------------------------------------|-------------------------------------|
| • Fire Service | • Government administrative |
| • Emergency Medical Services (EMS) | • Private sector and military |
| • Hazardous Materials (HazMat) | • County, state, and federal agency |
| • Law Enforcement (LE) | personnel who may assume a |
| • Public Health (PH) | supervisory role in expanding |
| • Public Works (PW) | incidents or Type 3 incidents. |
| • Emergency Management (EM) | |

Training Location: OSU Cascades – Obsidian Hall, Room 207
1500 SW Chandler Ave
Bend, OR 97702

Cost: Parking is free. A parking pass will be emailed before the class.

Student Manual: A 310-page PDF student manual will be emailed when all pre-requisites are completed. It is suggested to print the manual for taking notes and use during the class. If you want to use an electronic version, bring your own computer/reader device to access the PDF file.

Meals: Several nearby locations are available for lunch time meals

Registration: <https://www.eventbrite.com/e/ics-300-intermediate-ics-for-expanding-incidents-2100-hours-bend-tickets-1980559367383?aff=oddtcreator>

Prerequisites (clickable links)

1. [IS – 100x, Introduction to Incident Command System \(ICS\)](#)
2. [IS – 200x, ICS for Single Resources and Initial Action Incidents](#)
3. [IS – 700x, National Incident Management System \(NIMS\): An Introduction](#)
4. [IS – 800x, National Response Framework: An Introduction](#)

Send completed prerequisite certificates to:
Michael.bamberger@oregonstate.edu prior to class start.

Obtain a FEMA Student Identification Number

- **Federal Student Identification (SID) is required for each student.** DHS/FEMA has directed the implementation of the Federal SID for all HSNTF granted funded participants. If you have attended a federal training in the past 18-24 months you may already have SID #; if so select the option “Forgot Your FEMA SID?”.
- **The procedure for obtaining a SID number:**
 1. To register, go to <https://cdp.dhs.gov/femasid>
 2. Click on the "Register for a FEMA SID" button near the top the screen.
 3. Follow the instructions and provide the necessary information to create your account.
 4. You will receive an email with your SID number. You should save this number in a secure location.
