

OREGON DEPARTMENT OF EMERGENCY MANAGEMENT

G0288: Local Volunteer and Donations Management

Date(s) December 15 – 17, 2026

Location: Virtual

Time: 8:00am – 12:30pm PST

Course Description:

This course is designed to strengthen the abilities of local jurisdictions to successfully prepare for and handle volunteer and donations management issues that may arise. This training also provides information regarding the state's volunteer and donations management responsibilities, which are designed to help build relationships between government and non-governmental organizations.

Course Objectives

- Develop an effective public education and information structure to support the successful management of unaffiliated volunteers, unsolicited goods, and undesignated cash donations in disasters.
- Identify how to effectively manage the surge of unsolicited goods.
- Gather information from organizations, agencies, volunteers, media, and others for donation intelligence purposes.
- Facilitate the matching of unaffiliated volunteers with appropriate organizations or agencies during program implementation.
- List the planning considerations for cash donations.
- Identify key organizations and individuals who have a role in managing unaffiliated volunteers, unsolicited goods, and undesignated cash donations in disasters.

Prerequisites

Although no courses are *required*, the following are strongly recommended:

- [IS-100: Introduction to the Incident Command System, ICS-100](#)
- [IS-288: The Role of Voluntary Organizations in Emergency Management](#)
- [IS-700: An Introduction to the National Incident Management System](#)
