Natural Hazard Mitigation Planning Consultants List (updated October 20, 2026)

If your company does mitigation planning consulting work, does not appear on the list below, and would like to be added, send your contact information to Joseph Murray via joseph.murray@oem.oregon.gov

Disclaimer: This list may not be complete, but it summarizes the natural hazard mitigation planning consultants with which OEM has worked over the most recent ten years or so. Nationally and internationally, there are likely to be others, but these are the organizations and individuals with whom OEM has worked during the most recent time period. This list is in no particular order, except to the extent that governmental consultants are listed first.
