Emergency Operations Center (EOC) Position Checklist Overview

The EOC Position Checklist documents the performance criteria a trainee must meet to be certified for a position within the National Qualification System (NQS). The performance criteria are associated with EOC Skillsets.¹

Evaluation Process

- Evaluators observe and review a trainee's completion of EOC Position Checklist tasks, initialing and dating each successfully completed task in the EOC Position Checklist .
- Evaluators complete an Evaluation Record Form after each evaluation period by documenting the trainee's performance.
- The Authority Having Jurisdiction (AHJ) may not have enough resources to ensure that every evaluator is qualified in the position being assessed. Therefore, a trainee's supervisor may evaluate the completion of EOC Position Checklist tasks.
- The final evaluator is a leader who verifies that a trainee has completed the EOC Position Checklist. A final evaluator generally holds a leadership position over the trainee's position. When possible, the evaluator and the final evaluator should not be the same person, but in situations with limited resources, the evaluator can also serve as the final evaluator.
- Once the final evaluator has completed the Final Evaluator Verification, it can be forwarded to the Qualification Review Board (QRB) along with supporting evidence that the trainee has completed all position requirements. If there is no established QRB, then EOC Leadership should verify the qualifications.
- After the QRB or EOC leadership review, the AHJ completes the Documentation of Agency Certification form as appropriate.

¹ See the National Incident Management System (NIMS) EOC Skillsets User Guide (<https://www.fema.gov/national-qualification-system>) for more information on aligning skillsets with specific EOC positions.

Position Checklist Competencies, Behaviors, and Tasks

The EOC Position Checklist reflects the minimum criteria to qualify or recertify for a position. The AHJ has the authority to add content to the baseline EOC Position Checklist tasks, as necessary

Definitions

EOC Skillset: An EOC Skillset describes an EOC function in terms of discrete responsibilities aligned with demonstrable tasks. Skillsets can either reflect a function in an EOC (such as Planning) or a level of responsibility (such as Leadership). Skillsets combine together to form EOC Position Checklists.

Task Category: Task Categories summarize groups of similar tasks in the skillset.

Task: A specific, demonstrable action necessary for successful performance in a position. Trainees must demonstrate completion of required tasks.

- All tasks require evaluation; however, bulleted statements within a task are examples.

EOC Position Checklist Task Codes

Each task in the EOC Position Checklist has at least one corresponding code conveying the circumstances in which the trainee can perform the task for evaluation. Evaluators may assess trainees during incidents, in classroom simulations and training sessions, in functional and full-scale exercises, and in other work situations. If a task has multiple codes, the evaluator may evaluate in ANY of those circumstances; the trainee does not need evaluation in all of the listed circumstances.

Code C: Task performed in training or classroom setting, including seminars and workshops.

Code E: Task performed during a full-scale exercise.

Code F: Task performed during a functional exercise.

Code I: Task performed during an incident or event. Examples include oil spill, search and rescue operation, hazardous materials (hazmat) response, fire, and emergency or non-emergency (planned or unplanned) events.

Code J: Task performed as part of day-to-day job duties.

Code T: Task performed during a tabletop exercise.

Code R: Task performed very rarely and required only if applicable to the event.

How to Complete the Evaluation Record Form

Each Evaluation Record Form (see next page) covers one evaluation period. Evaluation periods may involve incidents, classroom simulations, or daily duties, depending on what the EOC Position Checklist recommends. The AHJ determines the number of evaluations required for position qualification and certification. If evaluators need additional evaluation periods, they can copy pages from a blank EOC Position Checklist and attach them to the EOC Position Checklist in question.

Complete these items **AT THE START** of the evaluation period:

Evaluation Record Number: Label each evaluation record with a number to identify the incident(s), exercise(s), or event(s) during which the trainee completed the tasks. The evaluator should also write this number in the EOC Position Checklist column labeled “Evaluation Record #” for each task performed satisfactorily. This number enables reviewers of the completed EOC Position Checklist to ascertain the evaluators’ qualifications before signing off on the EOC Position Checklist.

Evaluator’s name; Incident/office title and agency: List the name of the evaluator, his/her incident position or office title, and the evaluator’s home agency.

Evaluator’s home unit address and phone: List evaluator’s home unit address and phone number.

Name and location of incident or simulation/exercise: Identify the name (if applicable) and location where the trainee performed the tasks.

Complete these items **AT THE END** of the evaluation period:

Duration of EOC Activation: Enter approximately how long the EOC was activated / number of operational periods over the timeframe in which the trainee completed the tasks.

EOC Activities: Enter a brief description of the major EOC activities involved in the activation (such as sheltering, public safety messaging, etc.)

Evaluation period: Enter inclusive dates of trainee evaluation. This time span may cover several small, similar incidents.

Recommendation: Check the appropriate line and make comments below regarding the trainee’s future development needs.

Additional recommendations/comments: Provide additional recommendations and comments about trainee, as necessary.

Date: List the current date.

Evaluator’s initials: Initial here to authenticate your recommendations and to allow for comparison with initials in the EOC Position Checklist .

Evaluator’s relevant qualification: List your certification relevant to the trainee position you supervised.
