

# OREGON DEPARTMENT OF EMERGENCY MANAGEMENT

## FY2025 EMERGENCY MANAGEMENT PERFORMANCE GRANT Invitation to Apply

You are invited to apply for FY 2025 (July 1, 2025 - June 30, 2026) financial and technical assistance provided through the Federal Emergency Management Agency's (FEMA) Emergency Management Performance Grant (EMPG). The EMPG Program contributes to the implementation of the National Preparedness System by supporting the building, sustainment, and delivery of core capabilities. Core capabilities are essential for the execution of critical tasks for each of the five mission areas outlined in the Goal. The EMPG Program's allowable costs support efforts to build and sustain core capabilities across the Prevention, Protection, Mitigation, Response, and Recovery mission areas described in the Goal.

EMPG is a 50% non-federal cost-share grant, and grant funds are provided on a reimbursement basis. **The deadline for submission is September 15, 2025**

**DHS Terms and Conditions Litigation:** FEMA represented to the Court that they are still evaluating whether the immigration conditions will apply to the EMPG and HSGP grant programs. OEM is working with DOJ to determine if the published NOFO contains terms OEM is eligible to accept. Nevertheless, **we strongly encourage jurisdictions to independently review the current terms and conditions to assess implications.**

### Criteria for Eligibility:

Eligible applicants for participation in the Oregon EMPG Program include the state's 36 counties, nine (9) federally recognized tribes, and cities with a population of over 85,000.

The FY2025 program and submission requirements are described in the FY EMPG Program Guidance and Application Instructions. **Please read the guidance carefully** to prevent late or erroneous submissions, which could affect program funding support.
