

## Oregon Office of Emergency Management **Basic Applied Practices Series (BAPS)**

The Oregon Office of Emergency Management **Basic Applied Practices Series** consists of eight (8) required courses and (4) elective courses. The intent of the **BAPS** is to provide training needed by all emergency service providers for successful field operations. Courses in the *Professional Development Series (PDS)* **cannot** be used to meet BAPS requirements.

The **eight (8) required training** courses are:

- FEMA IS-100 (any version): Introduction to Incident Command System
- FEMA IS-200 (any version): ICS for Single Resources and Initial Action Incidents **OR** FEMA IS-2200 (any version): Basic Emergency Operations Center Functions
- FEMA IS-700 (any version): Introduction to the National Incident Management System (NIMS)
- FEMA IS-800 (any version): The National Response Plan (NRP), An introduction
- FEMA IS-393: Introduction to Hazard Mitigation **OR** IS-394: Protecting Your Home or Small Business From Disaster
- FEMA IS-1000: Public Assistance Program and Eligibility
- FEMA IS-1001: The Public Assistance Delivery Model Orientation
- Hazmat Awareness **OR** Weapons of Mass Destruction (WMD) Awareness

The FEMA Independent Study (IS) website is: <http://training.fema.gov/IS/crslst.aspx>

**Four (4) elective** courses are also required to receive a **BAPS Certificate of Completion**. Courses may be chosen from the following list of categories:

- Any ICS Courses beyond required courses listed above
- Any EMI/NFA attended course
- FEMA/NFA IS Courses – each course must be at **least 4 contact hours (.4 CEU)** according to the EMI or NFA website. *Professional Development Series IS courses cannot be used to meet this requirement.*
- Community Emergency Response Team (and TTT)
- Hazardous Materials courses beyond Awareness
