# SLCGP Grant Funding

## Funding Distribution

- The state administrative agency (SAA/OEM) must obligate at least 80 percent of funds awarded to local and territorial governments, with 25 percent of that going to rural areas.
- For this grant, rural jurisdictions are defined as counties and cities from counties with a population of less than 50,000. Funds will be distributed through a competitive application process (competitive awards).

# Eligibility and scope of grant program

---
