

# OREGON OFFICE OF EMERGENCY MANAGEMENT

## SPIRE Grant Update

May 22, 2019

The Oregon Office of Emergency Management (OEM) and community review group members, have completed the review of the submitted applications for the State Preparedness and Incident Response Equipment (SPIRE) Grant Program. The attached list (in alphabetic order) are the successful applicants that have been deemed responsive to the requirements of the application and will be considered eligible to receive equipment under the SPIRE Grant Program.

Official notifications will be made to the successful applicants once the procurement process has started. The procurement process will begin once the Tribal supplemental application process is completed and applications reviewed and scored. Please be patient through this process and we will provide additional information as it becomes available. If you have specific questions related to your application please contact Jim Jungling at [jim.jungling@state.or.us](mailto:jim.jungling@state.or.us).

Milestones:

- Tribal supplemental
- DAS Procurement
- Grant Agreement

Please hold all questions related to the above list if possible. Once the milestones are met we will be able to answer any questions that you may have.
