

We administer Ethics Laws to serve the people of Oregon.

VISION

We will impartially and effectively administer and enforce Oregon's government ethics laws for the benefit of Oregon's citizens. We will emphasize education in achieving our mission.

KEY GOALS

OREGONIANS ARE SERVED BY ETHICAL & EDUCATED PUBLIC OFFICIALS

- OGEC is working toward building a diverse workforce of talented individuals.
- Give public officials and lobbyists the support they need to follow Oregon statutes.

OGEC RESOURCES ARE AVAILABLE & USED EFFICIENTLY, EFFECTIVELY & TRANSPARENTLY

- New agency projects, programs and initiatives are delivered on time and on budget.
- Agency operations and projects are performed ethically and transparently.
- Uphold and demonstrate a commitment to sustainability and energy efficiency in agency operations.

OGEC USES TECHNOLOGY & INNOVATIVE TOOLS TO DRIVE SUCCESS

- Modernize OGEC's training program to ensure public officials understand their obligations under relevant parts of ORS 244, ORS 192, and ORS 171.
- Leverage technology that connects agencies, citizens, and government to improve efficiencies for the people of Oregon.

VALUES

- Focusing on education and training.
- Striving to make ethical choices the standard for all public officials.
- Championing government transparency.
- Building racial equity into the foundation of OGEC.
- Investing in sustainable operations for a better climate future.
- Serving Oregon constituents.
