PARTNERSHIP

In our service to the public we seek out, listen to and collaborate with our partners and stakeholders across diverse communities. Our common goal is to protect and promote all Oregonians' health.

INNOVATION

All OHA employees are empowered to improve OHA and how we serve the people of Oregon in our quest for better health, better care and lower costs. We find novel solutions to problems, bringing our creativity, experience and openness to the table. We do not accept the status quo if it no longer works to get the job done.

LEADERSHIP

Everyone at OHA is a leader. We bring our talent, creativity, compassion, competence, generosity, and stewardship to the work we do every day. Our leadership is founded on innovative strategies and sound management. Each and every one of us is responsible for helping to create a healthy Oregon.

INTEGRITY

We act with integrity in all we do. We are each accountable for maintaining the highest standards in all aspects of our work. We are good stewards of the public trust and the public dollar. Our decisions are informed, fiscally responsible and transparent.

HEALTH EQUITY

We promote health equity so that everyone can reach their full health potential. We honor diverse cultures, histories and health practices. We reflect our communities' diversity as we make decisions about how health resources are developed and distributed. We promote a workplace environment that ensures inclusion and equity.
