

Sexual Orientation and Gender Identity Learning Collaborative

Spring 2023

April 25

Noon - 1 p.m.

May 23

Noon - 2 p.m.

June 27

Noon - 2 p.m.

Pacific Time via Zoom

This learning collaborative on sexual orientation and gender identity (SOGI) is free to attend and is aimed toward anyone in Oregon who is interested in learning more about SOGI data collection, analysis, and reporting prior to the Rulemaking Advisory Committee (RAC) on House Bill 3159.

[House Bill 3159](#) requires the Oregon Health Authority to:

- Add SOGI questions to the current data collection standards in OHA Oregon Administrative Rules
- Build a data collection system for both REALD and SOGI
- Develop and implement reporting requirements (including rulemaking) for provider health plan reporting
- Create a grant program to help community partners and community-based organizations serving underrepresented populations report this data

This is a series of three interactive educational sessions held online via Zoom. You're welcome to attend as many sessions as you like:

Session 1: Understanding Sexual Orientation and Gender Identity

Session 2: Using SOGI Data to Support Positive Health Outcomes for Sex and Gender Minority Patients

Session 3: Using SOGI Data to Support Positive Health Outcomes for Sexual Minority Patients

An application will be filed with AAFP for CME, which will be offered at no cost to participants
