

## PFST Release Notes

Version 2.9.2: February 2025

### Feature Updates

- Refined answer selection logic for sexual orientation and accommodations questions.
- Made Other Language and Other Sign Language fields required on Language Page.
- Text updates to various question and answer choices.

### Resolved Issues

- Accommodation needs question now retains user selection upon user navigating back and forth from Functional Difficulties page.
- Browser tab name now shows "Public Facing Survey Tool".
