Oregon Health Authority Strategic Plan

OHA has developed a strategic plan with a single overarching goal **to eliminate health inequities in Oregon by 2030.**

State Health Improvement Plan: *Healthier Together Oregon, 2020-2024*

What is the mission of the Oregon Psilocybin Services Section?

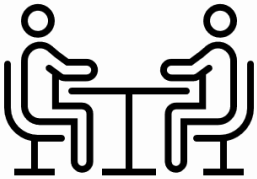

What is Psilocybin?

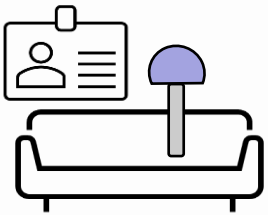

The Oregon Psilocybin Services Act

How will a client access psilocybin services?

1) Client (21 years or older) meets with a licensed facilitator for one or more **preparation sessions**.

2) Client purchases psilocybin product from a licensed service center and consumes the psilocybin product during an **administration session** under the supervision of a licensed facilitator on-site at the licensed service center.

3) Client may participate in optional **integration session(s)**.

Who will be licensed as facilitators?

Psilocybin Facilitator Training Programs

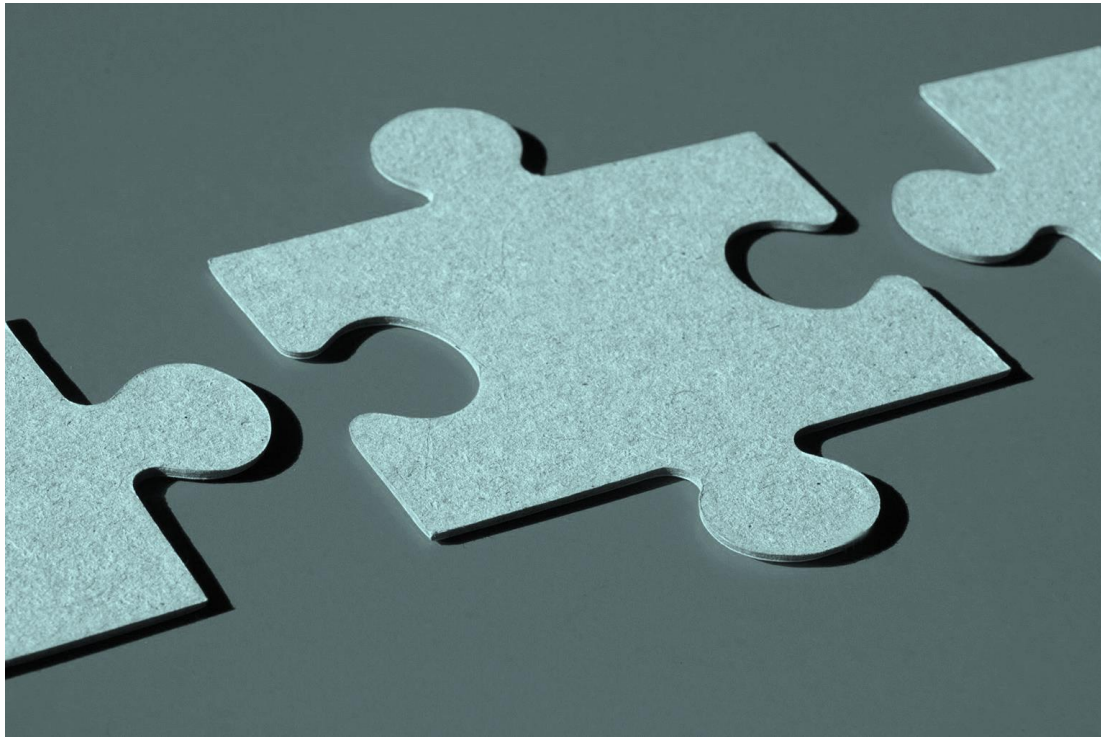

Who will be required to have worker permits?

Equity, Access and Affordability

Oregon Psilocybin Services Rulemaking Process

Oregon Psilocybin Services Development Period
