VERSION CONTROL

- This document was updated on 20 July 2020 to reflect the Metrics and Scoring Committee’s decision to make all 2020 measures to report-only in response to disruptions caused by the pandemic.
- This document was updated on 9 January 2020 to include corrected benchmark values for the Members receiving preventive dental services measure due to corrections made to the 2018 CCO-level performance.
- This document was updated on 5 December 2019 to include the value of the benchmarks for measures for which they had previously been TBD. This is due to the timing of when the values are available nationally.
