## Part B: Health Care Facilities and Affiliated Reportable Clinics

On the following page(s) or in a same separate Excel or csv file, list the following for each health care facility and reportable affiliated clinic for your hospital or health system:

- (a) The health care facility name and street address for the facility location
- (b) The reportable affiliated clinic name and street address for the clinic location
- (c) The non-profit status of each health care facility or reportable affiliated clinic

You may add more rows as needed.

## **Definitions**

For the purposes of this form, the following terms have the following meanings:

### **Health Care Facility:**

- (A) A hospital;
- (B) An ambulatory surgical center;
- (C) A freestanding birthing center;
- (D) An outpatient renal dialysis facility; or
- (E) An extended stay center

### **Hospital:**

- (A) A facility with an organized medical staff and a permanent building that is capable of providing 24-hour inpatient care to two or more individuals who have an illness or injury and that provides at least the following health services:
  - a. Medical;
  - b. Nursing;
  - c. Laboratory;
  - d. Pharmacy; and
  - e. Dietary; or
- (B) A special inpatient care facility as that term is defined by the authority by rule

### **Reportable Affiliated Clinic:**

An outpatient clinic located in Oregon that is:

- (A) Is operating under the common control of a hospital; or
- (B) Is owned in whole or part by the hospital; or
- (C) Is operating under the same brand of the hospital

Reportable affiliated clinics are divided into two categories on this form: Hospital-affiliated clinics and other reportable affiliated clinics.
