Oregon Health Policy and Research

Capitol Project Reporting Form (CPR-1)

Reporting Entity Identification and Contact

Facility
- Name: Legacy Mount Hood Medical Center
- Federal Tax ID#: 93-0591528
- Address: 24800 SE Stark St.
- City: Portland  State: OR  Zip Code: 97030

Individual completing form
- Name: Karen Shah
- Title: Director, Financial Planning
- Email: klshah@lhs.org
- Phone: 503-415-5538
- Fax #: 503-415-5091

If address is different than facility listed above, please provide:
- Address: 1919 NW Lovejoy St.
- City: Portland  State: OR  Zip Code: 97209

Capital Project Qualitative Information

1. Provide a brief description of the project.
   Legacy Mount Hood Medical Center is purchasing a daVinci Surgical Robot. Initially, the robot will be used in urology, gynecology, and gynecologic oncology.

2. Proposed start date: April 2011

3. Expected completion date: August 2011

4. What is the expected project cost? $1.9 million

5. Describe the expected benefits to the community that your facility serves. Include both direct financial benefits such as charity care as well as qualitative benefits such as access to care and quality improvements. Attach additional pages if needed.
   A robot allows greater surgical precision. Robotic surgery is "laparoscopic," meaning minimally invasive, when compared to traditional "open" surgery. Minimally invasive surgery results in: less blood loss, reduced chance of infection, less prominent scarring, and a shorter hospital stay and recovery time. The addition of this surgical robot at Mount Hood Medical Center will allow physicians in the East County area to offer this service to their patients.

   Legacy Mount Hood Medical Center provides free or reduced cost care to all patients who qualify under our charity care policies and services provided by this equipment would be included. Legacy Health as a whole provided over $69.0 million in charity care in fiscal year 2010.

6. In what ways may this project negatively impact the community that your facility serves? Include direct cost such as bonds as well as indirect impacts such as service interruptions. Attach additional pages if needed.
No negative impacts are anticipated. No bond proceeds will be used for this project.

7. How has your facility evaluated the need for this project within the community that you serve?

Physicians practicing at Legacy Mount Hood Medical Center were consulted as to their interest in robotic surgery with a very positive response. This project was reviewed and evaluated by Legacy's Executive Council.

8. Are the medical services created by this project already available in the community that your facility serves?

This project will enable Mount Hood Medical Center to offer robotic surgery to patients in the community rather than having to travel out of their community for this type of service.

Public Notice and Comment

1. Provide a link to the webpage where public notice of the capital project was posted. If your facility does not maintain a webpage provide the name of the newspaper where the public notice was made and date of publication. Attach additional pages if needed.

   www.legacyhealth.org/capitalreporting

2. Describe your facility’s method of collecting and reviewing public comments on the capital project. Attach additional pages if needed.

   We will post a copy of this CPR-1 form on our website (see link above) with an email address for comments to be provided. Comments received will be reviewed and summarized by Financial Planning and reported to the Chief Administrative Officer of Legacy Mount Hood Medical Center and the Chief Financial Officer of Legacy Health.
