I’d like to ask you some questions about events that happened during your childhood. This information will allow us to better understand problems that may occur early in life, and may help others in the future. This is a sensitive topic and some people may feel uncomfortable with these questions. At the end of this section, I will give you a phone number for an organization that can provide information and referral for these issues. Please keep in mind that you can ask me to skip any question you do not want to answer.

All questions refer to the time period before you were 18 years of age. Now, looking back before you were 18 years of age…

As I mentioned when we started this section, I will give you a phone number for an organization that can provide information and referral for these issues. Would you like me to give you that number?

IF NEEDED:

- National Domestic Violence Hotline: 1-800-799 SAFE (7233)
- Oregon Statewide Crisis Number: 1-888-235-5333
- National Sexual Assault Hotline: 1-800-656-HOPE (4673)
Now I would like to ask you a question about physical violence by an intimate partner.

137. Please keep in mind that if you are not in a safe place, you can ask me to skip the following question. Are you in a safe place to answer this question?
