

**Change Log**  
**January 1, 2023 Prioritized List of Health Services**

- 1) On December 19, 2022, the following two corrections were made:
  - a. The title of Line 202 (SLEEP APNEA, NARCOLEPSY AND REM BEHAVIORAL DISORDER) erroneously included INSOMNIA, which is a biennial review change not effective until January 1, 2024. The title was restored to its previous state.
  - b. CPT 64581 (Insertion of sacral nerve neurostimulator electrode) was incorrectly included on Guideline Note 173; this was corrected to 64582 (Insertion of hypoglossal nerve neurostimulator electrode and generator and breathing sensor electrode).
- 2) On December 13, 2022, the following two corrections were made:
  - a. Three obsolete CDT codes were removed from the Prioritized List:
    - i. D1550 Re-cement or re-bond space maintainer
    - ii. D1555 Removal of fixed space maintainer
    - iii. D2970 Temporary crown (fractured tooth)
  - b. Guideline Note 227 erroneously included CPT 43657; this was corrected to CPT code 43647.
