Paul Gorman	Assistant Dean for Rural Medical	Department of Medicine, OHSU	Portland
	Education		
aul's clinical work was in a rur	al primary care practice in Astoria in the	1980s. Over two decades he has condu	ıcted research
nvolving rural clinicians and ru	ral practices, working often with the Ore	gon Rural Practice Based Research Net	work and its
nember practices across the st	ate, from Baker City to Astoria and place	s in between, from larger rural centers	that support
nultispecialty practice, such as	in La Grande or Coos Bay, to isolated an	d remote settings that depend upon ph	ysician assistants
and nurse practitioners with re-	sourceful staff, such as Christmas Valley.	More recently he has been focused or	n rural medical
education. Working closely with	n the Oregon AHECs and their staff as we	ell as with the leadership from schools of	of dentistry,
nursing, medicine, pharmacy, a	nd the physician assistant program, Paul	has been developing interprofessional	rural educationa
programs in collaboration with	the growing OHSU Campus for Rural Hea	alth in its sites in Klamath Falls Coos Ra	v, and soon to be
or ogranns in conaboration with	the growing or so campas for mararries	altii iii its sites iii kiainatii i alis, eoos ba	.,,

Laura is passionate about oral health and is committed to seeing oral health integrated into medical offices wherever possible.

Laura has served as part of the Medicaid Advisory Committee's Oral Health Workgroup, and as worked at AllCare—one of
Oregon's 16 Coordinated Care Organizations—for four years. She is keenly aware of the importance of the oral health workforce
to provide needed oral health care for all populations, and particularly those individuals covered under the Oregon Health Plan.

Meghan CaugheySenior Director, Peer and WellnessCascadia Behavioral HealthPortlandServices

Meghan brings a commitment to helping people have better quality of life and greater longevity and a deep background in policy and program development within Oregon. In 2006 Meghan became a Peer Wellness Coordinator for Benton County Health Services and created the concept of "peer wellness specialist" there. Meghan has served on the Medicaid Advisory Committee, as well as former Governor Kitzhaber's Health System Transformation Team. Meghan was a founding member of the Non-Traditional Health Worker Steering Committee and currently serves as a vice-chair of the Traditional Health Worker Commission. She has also served as president and legislative liaison of the Mental Health Association of Oregon. As Senior Director of Peer Wellness Services at Cascadia Behavioral Health, which offers mental health services to more than 12,000 people per year in Multnomah, Clackamas and Lane Counties, Meghan serves as a state leader in championing and improving peer wellness programs.

Alayna Shoblasky Dentist La Clinica Community Health Center | Medford

Alayna cares deeply about creating transformational health care systems where all community members can access excellent, comprehensive care. She is a general dentist at La Clinica community health center in Southern Oregon, and a member of the Oregon Dental Association (ODA) Board of Trustees, Over the past several years she has become increasingly involved with conversations about health equity. At La Clinica, Alayna serves on the Equity, Diversity, and Inclusion Council; and serves as Vice Chair of La Clinica's Equity, Diversity, and Inclusion Council, which is tasked with analyzing patient data to identify health disparities among racial and ethnic growth in patient population.

Janus Maybee	Psychiatric Mental Health Nurse	Mill Street Psychiatric	Roseburg
	Practitioner		

Description/Background:

Janus has been a mental health provider and clinic owner since 2009 in Roseburg. She has facilitated education, empowerment and collaboration between primary care providers and specialists in Douglas County by facilitating a community-wide journal club. She is also a long-standing member of the Oregon Nurses Association. In addition she has two decades of experiences in both primary care and psychiatric mental health care, along with her activism both in Oregon and in the nation's health care future. She has served on the Workforce Committee since 2016.
