Health-Related Social Needs (HRSN) Data & Program Updates

HRSN Data Update

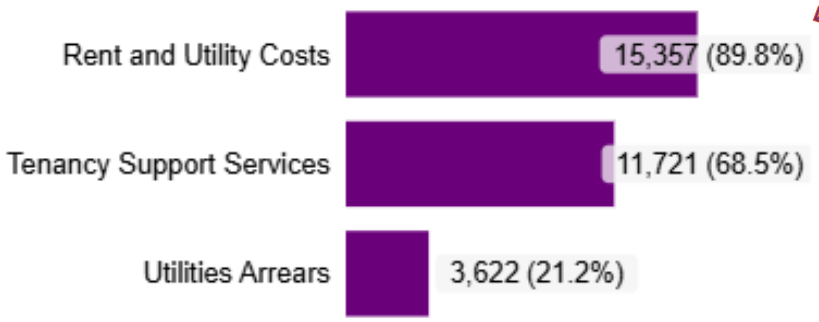

Early data on the new Nutrition benefits will be available later this year

- Pantry Stocking and the Fruit & Vegetable benefits launched July 1, 2026
- For a new benefit, it takes some time for data to be reliable
- We hope to share new Nutrition benefit data at our next quarterly update
- For today, we will continue to focus on housing

HRSN Housing data update

Top 3 housing services received by members

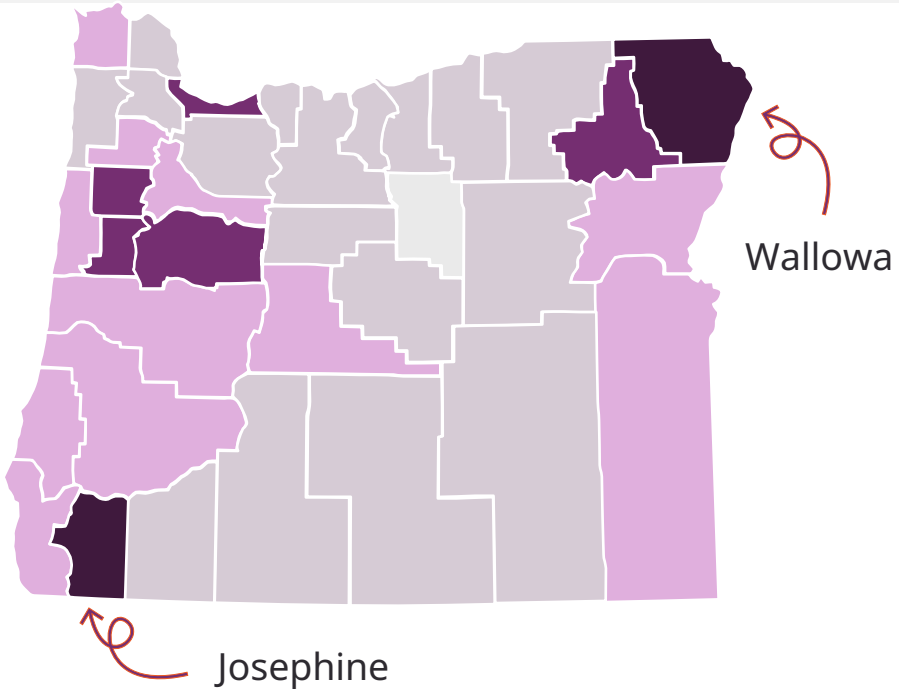

This means that almost 90% of members who received a housing service, received rent & utilities

Over half of members receiving housing services report a disability

Data Notes:
- Utilization data pulled from Medicaid Management Information System through 6/30/2026.
- Disability data uses REALD data standards.

Top 2 counties receiving HRSN housing by rate of members:

- Wallowa
- Josephine

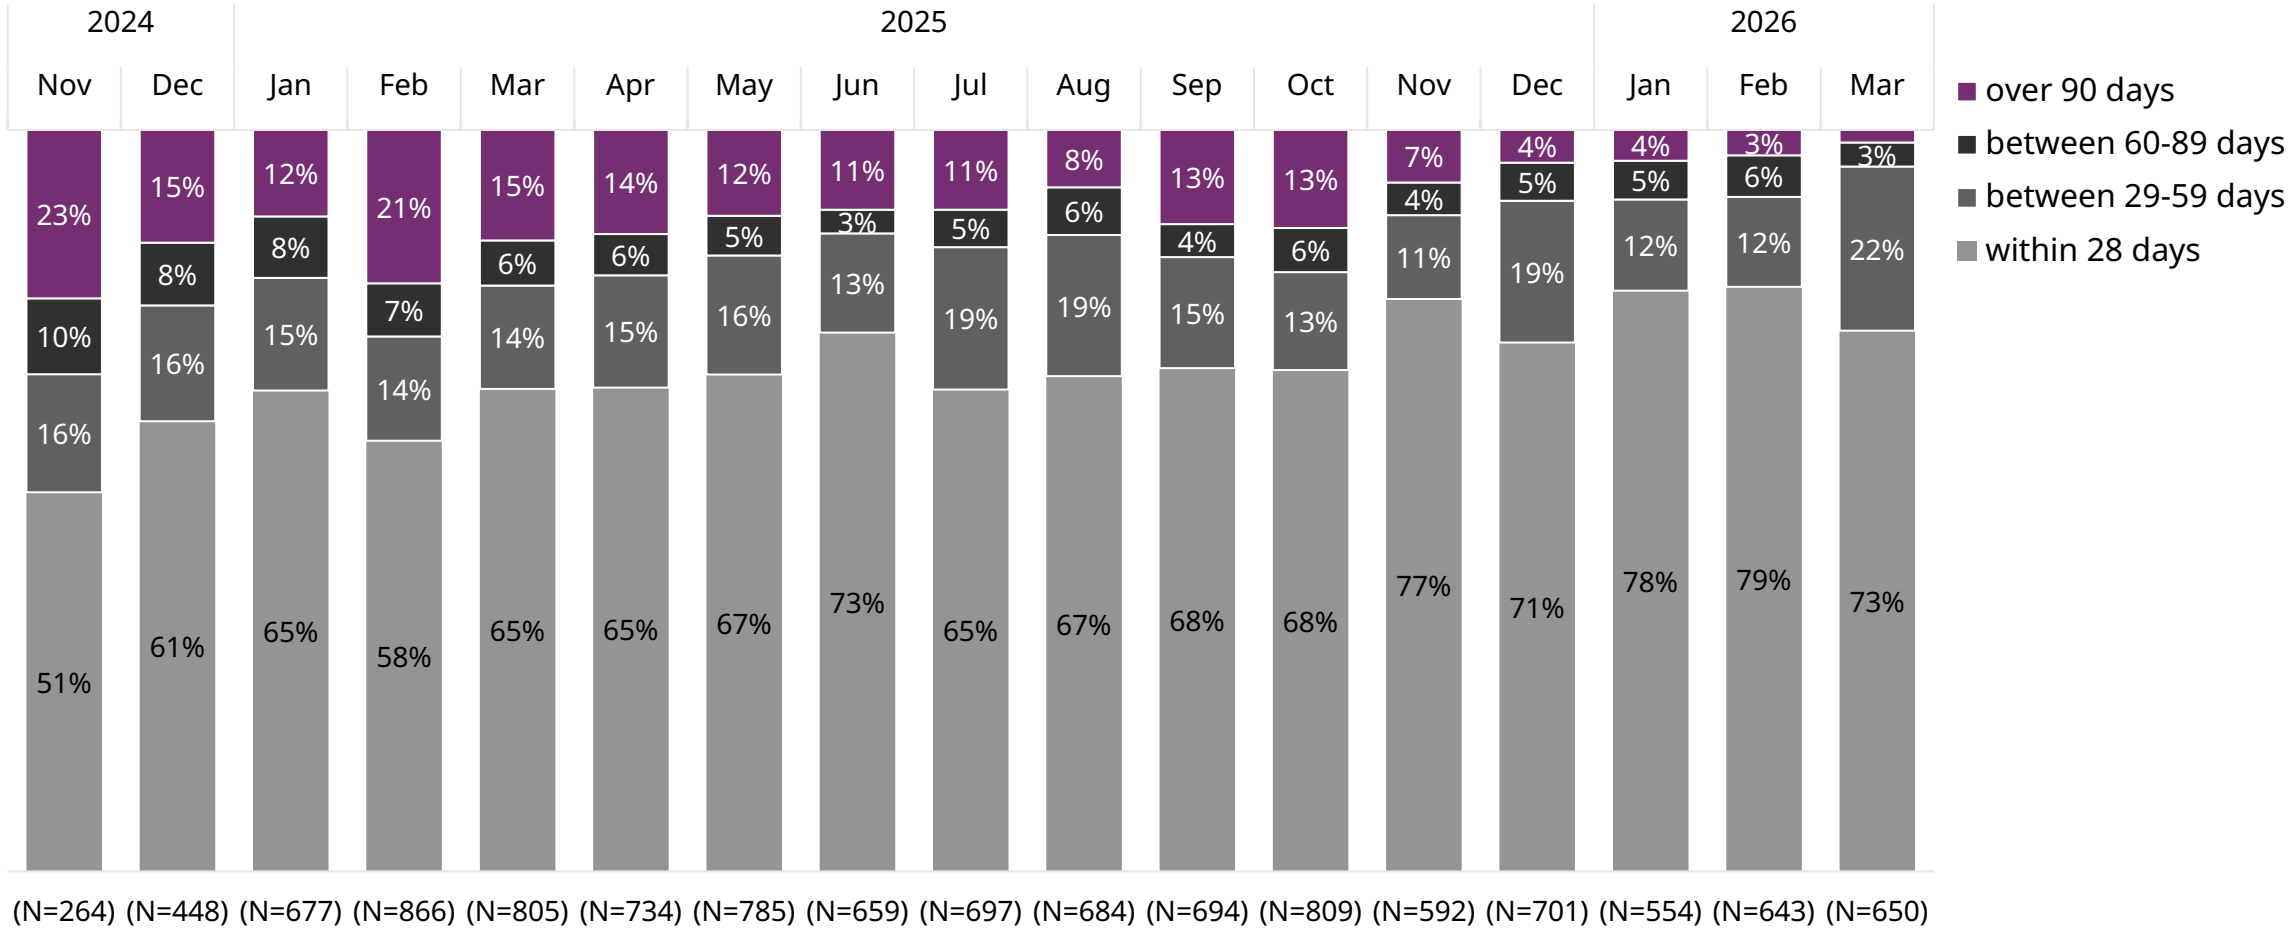

Our HRSN dashboard was just updated in October

- We update our dashboard quarterly, with the most recent quarter of complete data
  - In January we will be including data through September 2026
- Our dashboard is publicly available and includes information on:
  - Broad HRSN eligibility
  - HRSN service utilization
  - Member demographics
  - HRSN service Providers
