

## Frequently Asked Questions: HOWTO Funding

### HOWTO Values Statement

The Healthy Oregon Workforce Training Opportunity (HOWTO) Grant Program remains committed to Oregon Health Authority's (OHA's) mission of ensuring all people and communities can achieve optimum physical, mental, and social well-being through partnerships, prevention, and access to quality, affordable health care. Every change in federal administration presents potential disruptions to health care policy. HOWTO wants to reassure community members and partners that it will continue to serve them and will keep them apprised of any potential federal changes that could impact the program. HOWTO will continue supporting OHA's important work of expanding opportunity, improving well-being, and eliminating health inequities for all Oregonians.

Please contact the HOWTO program if you have any questions or concerns at [HOWTO.Grant.Program@odhsoha.oregon.gov](mailto:HOWTO.Grant.Program@odhsoha.oregon.gov).
