Re: Transaction 038 – OHSU-Legacy Health-Legacy Health Foundation-PacificSource

Sarah,

Legacy Health and Oregon Health and Science University have entered into a mutual agreement to terminate the proposed system combination. This also terminates the proposed transfer of Legacy Health's 50% member interest in PacificSource to Legacy Health Foundation. As such, Legacy Health and Legacy Health Foundation hereby withdraw the HCMO notice related to this transfer.

Legacy Health and Legacy Health Foundation request that OHA either return or destroy all confidential information submitted pursuant to this transaction. Nothing in this letter waives any confidentiality rights that apply to such documents, and all requests for confidentiality survive the termination of the HCMO notice.

If you have any questions or require further information, please contact me directly at (503) 208-5037 or tim@hkhealthlaw.com. Thank you for your attention to this matter.

Regards,
