**Part V, Line 4 - Intended Uses Of Endowment Fund**

Endowment funds are used to improve the healthcare of the community as designated by the donors.

Legacy follows the guidance in the Uniform Prudent Management of Institutional Funds Act (UPMIFA) in determining the net asset classification of all donor-restricted endowment funds. In accordance with UPMIFA and board policy, assets classified as permanent endowments in accordance with donor intent are only utilized for current

period expenditures to the extent that earnings on the endowment exceed the original fair value of the donation. To the extent earnings on endowment funds exceed identified expenditures on which to apply those earnings, the earnings are classified as temporarily restricted net assets.

Legacy has adopted investment and spending policies for endowment assets to provide a predictable stream of funding to programs supported by its endowment and to maintain the value of the endowment assets. Asset allocation is reviewed quarterly with respect to: i) Legacy's tolerance for risk based on its financial condition and need for cash from investments to support operations; ii) expected asset class return, risk and correlation characteristics; iii) changes in accounting guidance or tax law and iv) changes in bond covenants or other restrictions.

Legacy's spending practices are intended to comply with donor's wishes and meet all applicable laws and regulations. Spending must be for a purpose that is consistent with the documented intent of the donor, and may not exceed the amounts annually determined by Legacy. Factors that are considered in addressing the annual spending allocation are: i) market value of the fund relative to the principal of the gift and ii) the level of spending in prior years.

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires Legacy to retain as a fund of perpetual duration. Deficiencies of this nature are reported as a reduction to unrestricted net assets and are excluded from the performance indicator.

Legacy Health Foundation (LHF) was incorporated on August 21, 2013. The mission of the foundation is to foster charitable giving as well as community commitment and involvement to support the founding principles, mission and vision of Legacy Health and promote the health and well-being of the community. Legacy Health is the sole corporate member of LHF.

**Form 990, Part III, Line 4a - Program Service Accomplishments**

At Legacy Health, we know that our legacy is something we create together every day. This is reflected in our mission of "good health for our people, our patients, our communities and our world." We see it as our fundamental responsibility to improve the health and wellness of everyone we touch, empowering people to live healthier and better lives, and helping them create a legacy that truly lives on. Ours is a legacy of health and community, quality and innovation, respect and responsibility.

Legacy Health was created in 1989 through the merger of HealthLink, a local four-hospital system, and Good Samaritan Hospital and Medical Center. Over the years Legacy has grown into the largest nonprofit, community-owned health system in the Portland/Vancouver area. Today, Legacy Health consists of an integrated network of six full-service hospitals and more than 50 clinics. The Legacy network provides acute and critical care, inpatient and outpatient treatment, urgent and primary care, and a variety of specialty services.

At the heart of Legacy's mission is our commitment to provide exceptional healthcare for all those in need. Legacy provides almost one-third of the charity care in the Portland area; more charity care relative to size than any of the leading health care organizations in the metropolitan area.

**Form 990, Part VI, Line 12c - Explanation of Monitoring and Enforcement of Conflicts**

The following is a summary of Legacy's policy and procedures for conflict of interest disclosure, monitoring and resolution.

All Legacy employees and non-employees in leadership positions (e.g., Board members, Foundation Trustees, Medical Directors) are required to disclose potential conflicts of interest as the conflict arises. All employees are required to disclose any conflict of interest per the Standard of Conduct policy. Certain groups have annual formal disclosure requirements, Executives and non-employees in leadership positions complete the Conflict Disclosure Statement from the Standards of Conduct policy annually. Officers, Directors, Trustees, Key and Highly Compensated employees are also required to complete a questionnaire covering business relationships, business transactions with interested parties, loans and grants.

Conflict Disclosure Statements and questionnaires are returned to Legacy Corporate Compliance or Tax Departments for review of the disclosure. If a conflict is disclosed, or identified through any other means, Legacy Corporate Compliance ensures that management mitigates the risk (e.g., discontinues relationship with vendor, segregates responsibilities, recuses Board member from voting in area of conflict) and that the conflict and mitigation steps are reported to the appropriate level (e.g. Audit and Compliance Committee of the Board).

and patients every day, and for ensuring a safe, inclusive and equitable workplace for all Legacy employees. The comprehensive compensation plan is designed for positions that have a significant impact on the high-level strategic and policy direction of Legacy and its affiliates, and are accountable for the effective day-to-day operation of the system.

External consultants are regularly used to review published compensation surveys of comparable organizations and comparable benchmark positions in the market.

The Compensation Committee of the Board of Directors, none of whom is a Legacy employee, reviews the compensation for key executive positions. The Committee oversees the system's governance procedures with respect to the evaluation of reasonableness of compensation.
