

**Exhibit 7(b)-1**

The parties' payors are differentiated – [REDACTED]  
[REDACTED] From an ease of patient access and administrative perspective, commercial insurers can have complex plans and requirements, such as prior authorizations, that are not uniformly understood by patients and providers. [REDACTED]  
[REDACTED] Diversifying Edgepark's payor mix will mean additional Medicare volume, enabling the combined business to competitively support diabetes patients, one of the fastest growing population segments
