

On November 11, 2024, Cardinal Health publicly announced the planned acquisition of Advanced Diabetes Supply. This would be accomplished through the acquisition of ADS Parent, LLC (“ADS Parent”) by RGH Enterprises, LLC (“RGH”), a 100% owned indirect subsidiary of Cardinal Health, Inc., via merger of a wholly owned subsidiary of RGH formed for this sole purpose, with and into ADS Parent, with ADS Parent as the surviving entity. Following the transaction, 100% of the interests in ADS Parent and its subsidiaries will be held by RGH.
