The Oregon Clinic's mission is to provide excellent healthcare that serves the needs of all our patients regardless of their ability to pay. We know that sometimes medical bills may be hard to pay and we are committed to working with our patients to find ways to make medical care more affordable.

We have received your request for financial assistance. After reviewing your financial status, **your request has been approved** for 100% financial assistance for your balances and accruing at The Oregon Clinic through 3/01/2023.

This Financial Assistance is limited to professional services at The Oregon Clinic on balances after insurance copayments or uninsured deposit amounts set by the individual clinic. If you have received care from other providers or facilities, you will need to address their bills individually. Please keep a copy of this letter and share our determination with fellow providers, as they may also grant similar financial assistance.

If you have any questions, please call our office at **(503) 963-2900**.

Thank you.
