Year 1 Follow-Up Data Workbook

Instructions: Please provide location, staffing, and volume information about all provider locations in Oregon. Please edit the orange cells as needed to update location details and add new Oregon locations that have opened since the close of the transaction as needed. Enter the data requested in the blue cells regarding the listed locations. White cells are locked and cannot be changed. For all tables, add rows as needed. Use the Notes cells to provide any additional information needed to understand the locations, staffing, and volume details of the provider locations. Please contact hcmo.info@oha.oregon.gov immediately with questions.

Staffing

For FTE/employees in Oregon, count only employees working in Oregon. For FTE/employees overall, include all employees, both in and outside of Oregon.	**as of 06/09/2025**		**as of 06/09/2026**	
	Clinical FTE (must be a numeric value)	**Non-Clinical FTE** (must be a numeric value)	**Clinical FTE** (must be a numeric value)	**Non-Clinical FTE** (must be a numeric value)
FTE in Oregon	3.46	-	4.14	-
Overall FTE	325.88	487.50	382.98	476.66
Number of employees in Oregon	5.00	-	4.00	-
Number of employees overall	815.00	32.00	740.00	56.00

Number of unique people served in Oregon
Include all patients served at locations within Oregon. For at-home care or mail-order services, include patients if they reside in Oregon.
(If some service types are prepopulated but new service lines have been added, please add rows as needed. If a prepopulated service type is no longer offered or is not relevant, please enter '0' in the quantity field for that row and note why no services of this type were rendered during the time period.)

Date	**between 06/10/2024 and 06/09/2025**	**between 06/10/2025 and 06/09/2026**
Type of service (insert rows as needed for additional service types)	**Quantity** (must be a numeric value)	**Quantity** (must be a numeric value)
Total people served in Oregon (across all service types)	*See notes in OHA comments below.	*See notes in OHA comments below.
Total people served at Occupational Health clinics	*See notes in OHA comments below.	*See notes in OHA comments below.
Total people served at Onsite Health clinics	1,618	1,505

Services rendered to people in Oregon
Include all services rendered to all patients served at locations within Oregon. For at-home care or mail-order services, include services to all patients who reside in Oregon.
(If a unit of measurement has not been listed by OHA staff, please use the unit(s) that best capture how the entity measures service provision. Ex: members, admissions, visits, surgeries, days, patients, prescriptions, beds, exams, etc.)

Type of service (Please use same types of service as listed above. Insert rows as needed for additional service types)	**Measurement unit**	**between 06/10/2024 and 06/09/2025**	**between 06/10/2025 and 06/09/2026**
		Quantity (must be a numeric value)	**Quantity** (must be a numeric value)
Occupational Health Services	visit	93,910	102,342
Onsite Health Clinics	visit	3,061	3,002

Notes for OHA (optional):
Our transaction close date was June 1, 2025 pursuant to a Hold Separate and Asset Perservation Commitment whereby Concentra agreed with OHA to preserve the purchased business between June 1, 2025 and OHA approval (June 10, 2025). Additionally, please note that Rows 34-35 of Attachment A have been left blank because Concentra tracks patient visits rather than
