Samaritan Health System entities serve an area of west-central Oregon that stretches from the Cascade Mountains in the east to the Pacific Ocean in the west, and centers on the Linn, Benton and Lincoln counties in the mid-Willamette Valley. See Service Area Map below. Residents of these three counties constitute more than 90% of the aggregate inpatient discharges from Samaritan Health System facilities. The Samaritan Health System is the sole provider of hospital services in the Samaritan Primary Service Area (the “Samaritan PSA”), which includes the City of Monmouth, in Polk County, and Linn, Benton and Lincoln counties.
