Exhibit 7b: Project Bravo Diligence Reports	001124-001152	InformDx and Bako request confidential treatment of: (1) Andersen Corporation’s Tax Due Diligence Report; and (2) Lighthouse Lab Services Billing and Coding Due Diligence Report (collectively “the Diligence Reports”). The Diligence Reports contain proprietary analyses prepared by third-party consultants to inform the transaction. These reports include non-public evaluations of billing and coding performance, pricing methodologies, financial performance, and tax. The contents reflect strategic planning and internal decision-making processes that are customarily kept confidential and shared only under strict nondisclosure agreements. Disclosure would provide competitors with insight into the company’s operations and financial condition, resulting in potential economic harm. These materials qualify as trade secrets under ORS 192.345(2) due to their economic value, the confidentiality measures in place, and the substantial effort and expense required to compile them.	ORS 415.501(13)(c); ORS 192.345(2); ORS 192.355(9)(a); ORS 646.461 et seq.
