

**REDACTION AND CONFIDENTIALITY LOG TO HCMO COMPLETE NOTICE AND REQUEST FOR INFORMATION**

**074 THERAPY2000-KIDSCARE**

<b>BATES REFERENCE</b>	<b>PARTY INFORMATION</b>	<b>INFORMATION REQUESTED</b>	<b>INFORMATION REDACTED</b>	<b>BASIS FOR REDACTION</b>
<p>HCMO_00000926 – HCMO_00000939</p>	<p>Party A</p>	<p><u>Item 1 of HCMO Complete Notice and Request for Information — 074 Therapy2000-KidsCare</u></p>	<p>Management Services Agreement</p>	<p>The Parties request confidential treatment of the Management Services Agreement included in the HCMO Complete Notice and Request for Information — 074 Therapy2000-KidsCare. This agreement contains non-public contractual, financial, and operational terms governing the relationship between affiliated entities and is treated as confidential internally, with access limited to legal, finance, and senior management personnel. Disclosure could provide competitors or other market participants with insight into pricing, fee structures, operational responsibilities, and business strategies, and could be used to cause competitive or economic harm. The agreement was negotiated over time with the assistance of legal and financial advisors and reflects a significant investment of time and resources. Thus, it is not readily ascertainable from public sources. See ORS 192.345(2); ORS 415.501(13)(c).</p> <p>Under ORS 415.501(13)(c), the Oregon Health Authority is prohibited from disclosing “all confidential information and documents that are not publicly available that are obtained in relation to a material change transaction”. As such, Party A is requesting further confidential treatment of these materials.</p>
<p>HCMO_00000940 – HCMO_00000941</p>	<p>Party A and Party B</p>	<p><u>Item 7 of HCMO Complete Notice and Request for Information — 074 Therapy2000-KidsCare</u></p>	<p>Confidential Appendix - KidsCare Oregon Staffing Model, Workforce Composition, and Utilization Metrics</p>	<p>The Parties request confidential treatment of the detailed staffing model, including provider type/credential type, staffing levels, FTEs, and visit volumes for KidsCare in Oregon included in the HCMO Complete Notice and Request for Information — 074 Therapy2000-KidsCare. This information constitutes non-public operational and workforce data that is treated as confidential internally, with access limited to human resources, finance, operations, and senior management personnel, and is maintained in secure systems. Disclosure could provide competitors or other market participants with insight into staffing strategies, productivity metrics, and operational capacity, and could be used to benchmark, target recruitment, or otherwise cause competitive or economic harm. The information was compiled specifically for this filing through coordinated internal efforts and is not readily ascertainable from public sources. See ORS 192.345(2); ORS 415.501(13)(c).</p>

BATES REFERENCE	PARTY INFORMATION	INFORMATION REQUESTED	INFORMATION REDACTED	BASIS FOR REDACTION
				Under ORS 415.501(13)(c), the Oregon Health Authority is prohibited from disclosing “all confidential information and documents that are not publicly available that are obtained in relation to a material change transaction”. As such, the parties are requesting further confidential treatment of these materials.
HCMO_00000940 – HCMO_00000941	Party A and Party B	<u>Item 10 of HCMO Complete Notice and Request for Information — 074 Therapy2000-KidsCare</u>	Confidential Appendix - KidsCare Oregon Utilization and Revenue Metrics by Line of Business	<p>The Parties request confidential treatment of utilization and revenue information for KidsCare Oregon, including patient counts, service volumes, and line-of-business revenue data by calendar year, included in the HCMO-1 Confidential Appendix. This information constitutes non-public financial and operational data that is treated as confidential internally, with access limited to finance, operations, legal, and senior management personnel, and is maintained in secure systems. To the extent disclosed to third parties, it is shared subject to contractual confidentiality obligations. Disclosure could provide competitors or other market participants with insight into market share, service mix, pricing, and growth trends, and could be used to benchmark performance, target expansion, or otherwise cause competitive or economic harm. The information was compiled specifically for this filing through coordinated internal efforts and is not readily ascertainable from public sources. See ORS 192.345(2); ORS 415.501(13)(c).</p> <p>Under ORS 415.501(13)(c), the Oregon Health Authority is prohibited from disclosing “all confidential information and documents that are not publicly available that are obtained in relation to a material change transaction”. As such, the parties are requesting further confidential treatment of these materials.</p>
HCMO_00000949 – HCMO_00000950	Party A	<u>Item 1 of HCMO Complete Notice and Request for Information — 074 Therapy2000-KidsCare (Responses to March 20, 2026 RFI)</u>	Party A’s Response to KidsCare Oregon Growth and Expansion Planning	Party A requests confidential treatment of its response relating to Item 1 of the HCMO Complete Notice and Request for Information — 074 Therapy2000-KidsCare (Responses to March 20, 2026 RFI) pertaining to KidsCare Oregon growth, innovation, and expansion planning. This information constitutes non-public strategic and operational planning data that is treated as confidential internally, with access limited to strategy, finance, legal, and senior management personnel. Disclosure could provide competitors or other market participants with insight into strategic priorities, growth initiatives, and potential expansion opportunities, and could be used to anticipate or counteract business strategies or otherwise cause competitive or economic harm. The information was compiled specifically for this filing through coordinated internal efforts and is
