

# TALKSPACE MANAGEMENT SERVICES RELATIONSHIP WITH OREGON PROFESSIONAL ENTITY

# UHS Pre-Closing Organizational Chart

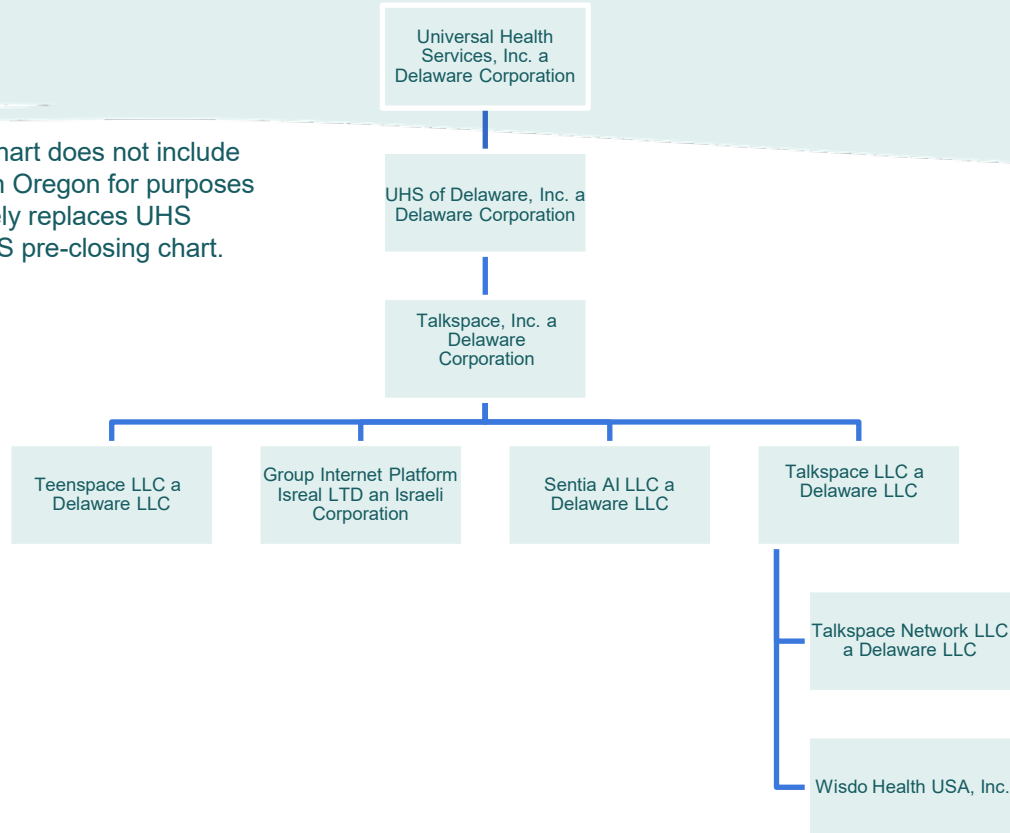

Note: This is a simplified version of the UHS Organization Chart featuring only the entities involved in the transaction up to the ultimate parent and, as requested in the 5/13 follow up, all UHS entities operating in Oregon. As discussed during the pre-filing conference, UHS owns hundreds of subsidiaries, and this chart does not purport to show every subsidiary, only those involved in the transaction.

# Post-Closing Organizational Chart

Please note that this transaction chart does not include the sister UHS entities operating in Oregon for purposes of clarity. Talkspace, Inc. effectively replaces UHS Merger Subsidiary, Inc. on the UHS pre-closing chart.
