Bates Number Range Log

August 28, 2026

Where a document is submitted in both a Confidential and a Public (redacted) version, both versions carry the identical Bates numbers, since they are the same underlying document at two confidentiality tiers. Exhibit M's Public copy is a single placeholder page (“provided under separate cover”) and is stamped with the full Bates range of its Confidential counterpart.

File	Pages	Bates Range	Note	Confidential?
QHC - Project 12 - Response to OHA RFI (Confidential).pdf	13	QUORUM1623- QUORUM1635		Yes
