

Facilities and Locations

Instructions: List all health care facilities and locations associated with parties to the proposed material change transaction that currently operate in Oregon. For each location, include the location or facility name, street address, services provided at the location, and service area zip codes. Service area refers to the smallest number of zip codes from which the location or facility draws at least 75% of its patients, based on home zip codes of patients. Add rows as needed for additional locations. Please contact hcmo.info@oha.oregon.gov with questions.
