Redaction #	Document Title	Bates Stamp Range	Reasons for Redaction	Statutory Basis	Partially or Entirely Redacted?
1	Post-Close Organizational Chart	HNG-00029	Hanger requests confidential treatment of the post closing organizational chart. This organizational chart contains confidential information that is not publicly available and that is provided in relation to a material change transaction. It contains internal structures and proprietary organizational frameworks specific to a non-public entity. Disclosure of this information could expose sensitive business practices and strategic governance models, potentially resulting in competitive harm. Public disclosure could compromise competitive standing and reveal trade secrets, and is therefore protected under Oregon Law. Furthermore, public disclosure could compromise Hanger's data security and leave it vulnerable to fraudulent activity,	ORS 415.501(13)(c); ORS 192.345(2); ORS 192.355(9)(a); ORS 646.461 et seq.	Partially Redacted.

Purchase Agreement

HNG-00030 -- 00142

The parties request confidential treatment of the Stock Purchase Agreement and purchase price. The Stock Purchase Agreement contains confidential business terms, strategic rationale, and proprietary information related to the proposed transaction that has not been made publicly available in any other forum. Information is competitively sensitive and disclosure would enable competitors to identify and exploit vulnerabilities in the company's operating model. Disclosure of this document could result in competitive harm and it includes material protected under Oregon Law.
