Exhibit 2 - Transaction Consideration

Pursuant to the Stock Purchase Agreement, the transaction's purchase price is [redacted] (subject to customary purchase price adjustments) paid to Maxor Acquisition, Inc. and Maxor National Pharmacy Services LLC, as the entities that own 100% of the equity interests of the Acquired Companies. The purchase price is based on an arms-length negotiated valuation of the business and is not consideration or renumeration in exchange for the provision of health care services.
